The secret of teaching yourself music

It's just organized common sense, says this 75-year-old home-study school. Their step-by-step word-and-picture instructions take the mystery out of learning to play the piano, the guitar, or the spinet organ.

It may seem odd at first – the idea of teaching yourself music. You might think you need a private teacher at $4 to $10 an hour to stand beside you and explain everything you should do–and tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people have taught themselves to play with the lessons we give by mail. And you can too.

The secret lies in the step-by-step way our lessons teach you. Starting from scratch, they show you with simple words and pictures exactly what to do. You learn to play correctly–by note, from sheet music. Without gimmicks.

But how do you know you're doing it right? Easy. A lot of the tunes you'll practice first are simple songs you've heard before. And since you already know how they're supposed to sound, you can tell right away when you've "got them right."

By the time you go on to more advanced pieces, you'll be able to tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play different kinds of music: ballads, old favorites, show tunes, or hymns.

Convenient and Economical

You learn in your spare time, in the privacy and convenience of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you set your own pace.

And you'll be delighted to discover how economical it is. The cost comes to less than you'd have to pay a private teacher.

There Are So Many Rewards

How effective are the lessons? Ask Mrs. Norman Johanson, one of our recent graduates. "My daughter," writes Mrs. Johanson, "has taken lessons for 8 years from a private teacher, and now she asks me questions about some of her lessons. How very proud I feel when she says to friends, 'You just have to hear my Mom play!' "

Others also enjoy her playing, Mrs. Johanson reports. She plays for herself to relax after a trying day, and for her husband when he's tired. She also plays for friends when she goes to parties. "In a sentence," she says, "it's the most soul-satisfying thing that has ever happened to me."

Scientific Test PROVES Isokinetics
●166% Better Than Weights
●390% Better Than Isometrics
For Putting Muscle on YOU!

Isokinetics is now proved superior to weight training for building your strength, body and explosive power . . . faster, more effectively than any other method.

A leading medical journal published the scientific experiments of recognized researchers. Average peak strength improvement after only 8 weeks for each type of exercise was:

Isokinetics 47.2%
Weight Training . . 28.6%
Isometrics 12.1%

During each Isokinetic exercise, you continually change the "weight" to the amount that your muscles need for fastest maximum development . . . without stopping. Until recently the only Isokinetic exercisers available were complicated machines costing from $120 to over $4000. But NOW, A NEW invention, amazing in its beautiful simplicity, puts Isokinetic muscle building within your reach for only a few dollars.

POWEREX — ISOKINETICS

The invention is POWEREX — an Isokinetic exerciser designed to give you the ultimate benefits of muscle strength, and explosive power faster than ever. POWEREX is going to do all this for you thru the following ISOKINETIC PRINCIPLES:

(1) **POWEREX** builds your muscles through their full range of movement. It works every small muscle fiber to its utmost. Not the grunt-and-groan partial static results of an Isometric gadget, but the total dynamic power of Isokinetics.

(2) **POWEREX** has the exclusive CONTROL LEVERS. You instantly and smoothly change the amount of "weight" working for you, to the maximum your muscles can handle . . . from zero to hundreds of pounds, quickly building your body into a classic, powerful machine!

LOW COST — ORDER NOW

The best part is POWEREX costs you only $13.95. For about 1/10th the cost of the next isokinetic exerciser on the market, the benefits of isokinetic muscle building are yours!

So don't wait another moment . . . fill out the coupon, write your check or money order, and get it in the mail now. The sooner you do, the sooner you receive your POWEREX and start the isokinetic way to a muscular body and dynamic power!

FOND FAREWELL

It seems inconceivable to me there will no longer be reports of Cynara's apartment house wrestling career ("A Look Back At Cynara's Tempestuous Wrestling Career" [SPORTS REVIEW WRESTLING/March 1976]). She has retired and taken our hearts with her.

I've saved every issue in which Cynara has appeared. I know some people have been angered by her contemptuous dismissals of opponents. They feel she should have been more generous and modest. To those fellows I can only say, "Nonsense!"

Cynara is great! Part of that greatness is her fascinating swagger. Those who can't appreciate this are unable to appreciate greatness in any form.

As the retrospective of her matches shows, she's splendid. That is all there is to know!

HARVEY LEFKOWITZ
Fargo, N.D.

Sky Low Low (below) is praised for his valiant contributions to wrestling and human dignity. Wrestling Molly is one of the many reasons Cynara (above) is hailed by many and why her retirement is deeply regretted.

BRAVO BOLD EAGLE

One of the best stories ever written in SPORTS REVIEW WRESTLING was "Bold Eagle: A Story of Pride" (SPORTS REVIEW WRESTLING/March 1976). Rarely has a wrestler come across as so compassionate and dignified a human being.

I think everyone, Indian or not, can take pride in the many wonderful things Bobby had to say. His life and philosophy are an example to us all.

Bobby Bold Eagle is not only a great wrestler but a great person.

SAMUEL NORONI
Biloxi, Miss.

ANOTHER NAME

I'm tired of all your put-downs about the Valiants ("The Valiants—Cheating Their Way To Another World Title" [SPORTS REVIEW WRESTLING/March 1976]). They're the greatest and everyone knows it!

All this whining about how they cheat and cripple their opponents makes me sick. The Valiants can dish it out and they can take it—which is more than their opponents are willing to do. Cowards and crybabies have no place in wrestling, either as grapplers or fans!

The Valiants have won every title they've ever wanted. The others have had to like it or lump it!

PANTAGRUEL RABELAIS

BIGGEST AROUND

"A Giant Among Midgets" (SPORTS REVIEW WRESTLING/March 1976) is a story that every midget should read. The history of Sky Low Low is a testament to the reality only the size of a man or woman's courage is what counts.

As a midget, I have often felt a mistake in the world of giants. However, through the example of Sky Low Low and the electronics genius Peter Stienmetz, I have learned midgets are limited only by themselves.

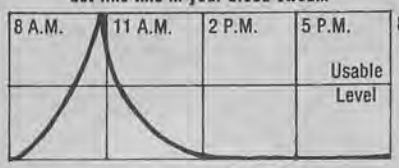
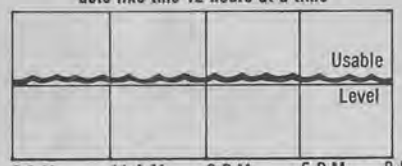
Revolutionary New Timed-Release Nutrient Tablet
AUTOMATICALLY REPLACES THE VITAMINS YOUR BODY USES UP, EVERY SECOND OF EVERY DAY!

Actually meters out 42 active vitamins, minerals and essential amino acids . . . hour after hour . . . in a continuous fresh supply.

ORDINARY SUPPLEMENTS act like this in your blood stream



NUTRI-VITA TIMED RELEASE acts like this 12 hours at a time



These three biological breakthroughs make NUTRI-VITA dramatically more effective:

1. TIMED RELEASE. Ordinary tablets and capsules dissolve immediately and begin to leave the body. Nutri-Vita stays in your blood stream for all day, all night action.

2. CHELATED MINERALS. Nutri-Vita's minerals are biologically bonded to protein. This makes them more available to your system than ordinary mineral supplements.

3. INGREDIENT ISOLATION. Many vitamin and mineral combinations actually **neutralize themselves on contact**—in the tablet or in your stomach. Nutri-Vita's ingredients stay separate—**and effective** until your body uses them.

Vitamins, minerals and amino acids—are essential to human health. No wonder millions of Americans choose to augment their family's diet with a vitamin-mineral supplement every day.

But up to now, NO supplement could give you the vitamins, minerals, and amino acids you need . . . **at precisely the moment you need them.** NUTRI-VITA does! Because unless **all** the right ingredients are furnished at the right time, many of the nutrients in the food you eat will be wasted.

SCIENTIFICALLY FORMULATED FOR MAXIMUM BIOLOGICAL VALUE. Fifteen years in the development, Nutri-Vita has been used and tested by hundreds of world champion athletes, and by ordinary men and women all over the country. They report increased endurance*, greater capacity to handle heavy workloads**, and less fatigue*** when using Nutri-Vita as compared to any preparation they used before. **Nutri-Vita even helps maintain energy levels while dieting****.

That's because Nutri-Vita's formulation is not only nutritionally superior in itself, it incorporates **totally new concepts** of manufacture that provide maximum biological value for your body.

Here is how this special nutritional supplement achieves the kind of superior action that has never been available from any tablet or capsule before:

ROUND-THE-CLOCK NUTRIENT PROTECTION. Vitamins (except A, D, E, and K) are water soluble and cannot be stored in the body for later use. Any excess is passed through the body and lost. With supplements that dissolve all at once, therefore, the vitamin level may quickly peak at far more than the tissues can use at any one time—then just as quickly sink to the previous level. So even though you take a high potency supplement **you may actually be vitamin starved for most of the day!**

Nutri-Vita tablets, on the other hand are timed release . . . **to meter out fresh nutrients constantly.** They rise to the proper level for maximum utilization in your blood, ready for your body to use them as it needs them—for up to 12 hours at a time. By taking Nutri-Vita just morning and night, you get round-the-clock nutrient protection that's substantially more available to your system than the same amount of vitamins in ordinary capsules and tablets.

POTENCY PROTECTED. Many products ignore the fact that certain vitamins and minerals are chemically incompatible and react very readily to neutralize each other. That is why all of the ingredients in a Nutri-Vita tablet are **isolated** from each other by a special patented process. This keeps them potent until the moment of absorption into the blood stream, where deactivation is no longer a problem. With Nutri-Vita, **your body gets what the label says.**

Nutri-Vita is many times more active because, we use a process known as chelation (from the Greek "kelos" for claw). In it, minerals are bonded to protein with a biochemical "claw." Masked by the protein, the minerals now seem organic to your body and are readily absorbed. This process is so effective that studies have shown chelated minerals to be more available to the body than ordinary minerals. All minerals in Nutri-Vita are chelated.

PLUS ALL THE ESSENTIAL AMINO ACIDS. Proteins are the building blocks of tissues. And amino acids are the building blocks of protein. Those amino acids which the body cannot manufacture for itself are called essential amino acids and must be furnished every day. Nutri-Vita releases the eight essential amino acids into your blood stream all day long—ready at meal times and snack times to help complete the proteins in the food you eat.

Famous National, Olympic and World Record Champions Compare Nutri-Vita in these unsolicited comments:

"Strength has increased without a concurrent weight increase."
Richard B. Watson—Two-time N.J. Decathlon Champion

"Personally, my teammates . . . and I can feel the beneficial effects of Nutri-Vita hours after ingestion . . . the inclusion of protein (maintains) energy levels while dieting."
Richard E. Morris**—Greater Atlantic Coast Powerlift Champion, 1974**

"Our crew was introduced to Nutri-Vita . . . while we were preparing for . . . the Royal Henley Regatta in England. I was very impressed with how the oarsmen responded. They seemed to recuperate faster and their overall fatigue level was improved."
Gary Kilpatrick*—Varsity Lightweight Crew Coach, Princeton University**

"Nutri-Vita (makes) hard work seem a lot easier. As I am not a chemist, I can not understand how it works, but as an athlete, I know it does work."
Carl Barisch, Cleveland Browns

"I have used Nutri-Vita for over two years now, and have felt quite a difference in my training and performance. Nutri-Vita helps recovery time and increases endurance."
Fred Samara*—1975 National AAU Decathlon Champion

"We used (Nutri-Vita) with both university swimmers and age group swimmers. The most noticeable effect being increased capacity to handle heavy work loads in training . . . Excellent and a valuable asset to athletes."
William Farley—Varsity Swimming Coach, Princeton Univ. Coach, Eastern Collegiate Swimming Championship Team, 1973, 1974**

IMPORTANT NEWS IF YOU SMOKE. Tobacco and vitamins are antagonists. A cigarette destroys vitamin C in your system. Nutri-Vita helps protect you against such deficiencies by constantly releasing a fresh supply of vitamins after every cigarette. It's the round-the-clock source of all the nutrients your body is known to need, in the form it can use them best.

NUTRI-VITA WILL WORK FOR YOU OR YOUR MONEY BACK. Would you like to provide your family with "vitamin insurance"? Nutri-Vita can give you the help you need. Because Nutri-Vita provides large doses of nutrients in a concentrated form every hour of every day. That way your body selects exactly the nutrients it needs at exactly the moment it needs them. Doesn't this make much more sense than assaulting your system with a massive dosage of vitamins once a day, many of which will be simply excreted?

See for yourself whether Nutri-Vita helps make you and every member of your family feel the way famous athletes say it makes them feel . . . "Stronger and more energetic hours after they take it." Nutri-Vita makes sense to them. Try Nutri-Vita for 30 days and see if it doesn't make sense to you, too. Satisfaction guaranteed or your money back of course.

NUTRI-VITA Timed Release Nutritional Supplement
A specially balanced, factory fresh formula of 12 vitamins, 9 minerals, and 21 nutrients including all 8 essential amino acids. Contains no sugar, no starch, no binders, no artificial colors, no artificial flavors.

ADULTS: 2 tablets morning and evening.

MEANNESS IS DONNA'S MIDDLE NAME

Donna smiles happily as she tortures Joyce Grable (below). "That's my job!" says Donna.

SHE SITS IN the dressing room with the quiet reserve of an elementary school teacher. It would seem impossible to make her lose the cool exterior of her personality. She is friendly, but distant. It's very difficult to realize that this reserved woman almost tore Debbie Johnson's head off not an hour ago.

When she wrestles, Donna Christenello is a snarling tigress determined to tear and claw at whomever she's facing. It's a coldly methodical anger like the professional soldier who screams as he goes into his 50th

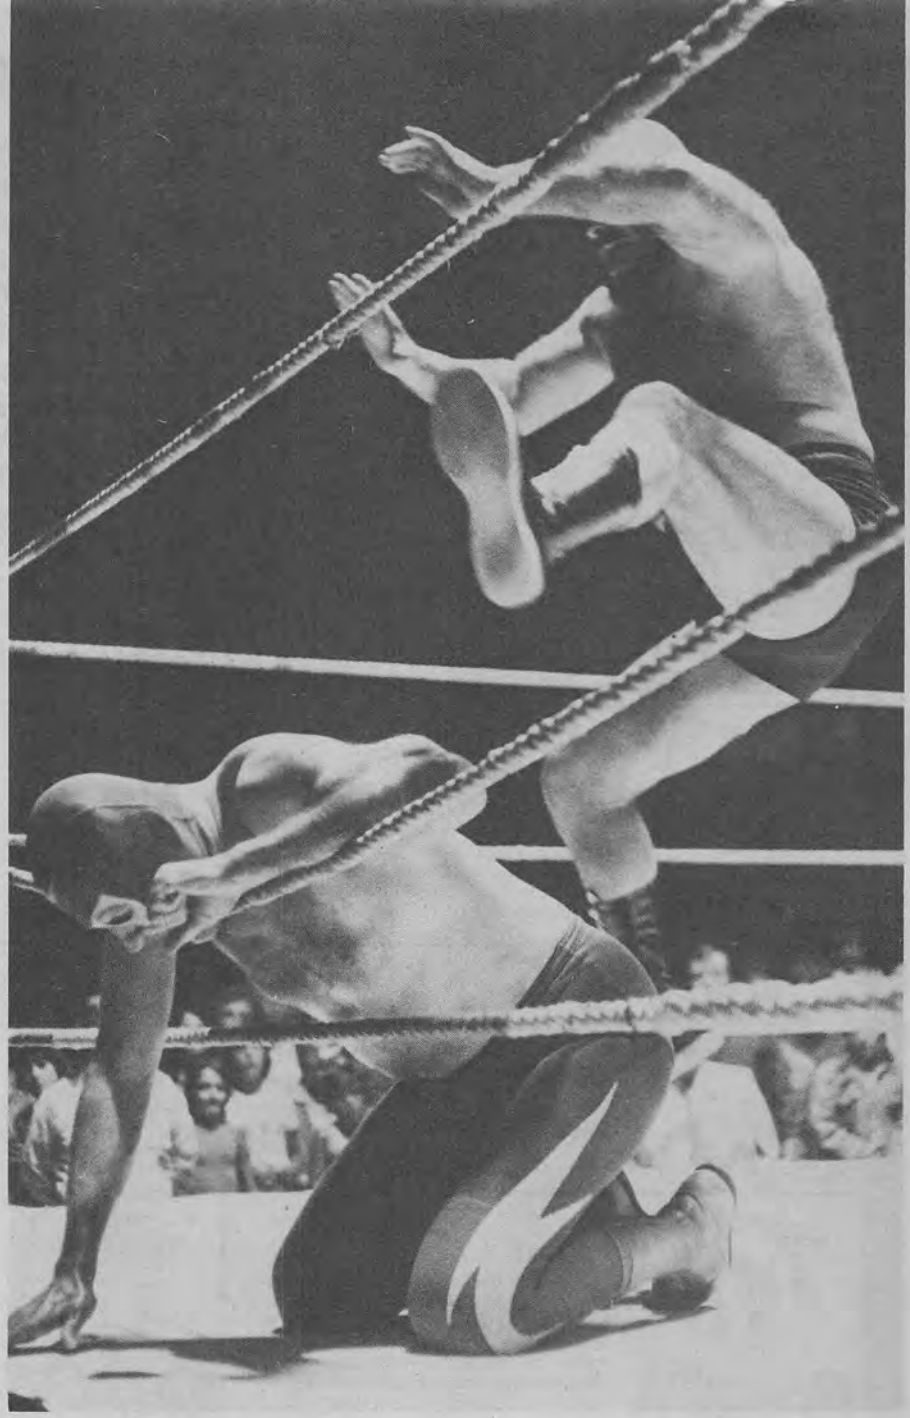
THERE WERE HUNDREDS OF THOUSANDS OF VIOLENT ACTS LAST YEAR—DON'T BECOME A STATISTIC

ENDORSED BY THE WORLD'S LEADING KARATE CHAMPIONS.



Masked Killer Kowalski is in trouble as he's caught in the ropes and Vachon comes smashing down on his back. The kick is right on target and pounds hard down on Kowalski's spine. The masked grappler is incredibly lucky that he didn't suffer a broken back from the crushing kick. Somehow, Kowalski was able to continue wrestling in spite of his overwhelming pain.

Killer Kowalski is a ruthless grappler who wants only to win. Mad Dog Vachon is a savage maniac, capable of crippling any man alive. Put the two men against each other and then stand back!

Killer vs. Mad Dog: MURDER IN THE SQUARED CIRCLE

THE CROWD DIDN'T know who to boo louder. First Mad Dog Vachon, notorious for his illegal and vicious tactics, entered the ring. The spectators let loose with loud jeers and taunts, trying to indicate to the wrestler their displeasure with him. Then Killer Kowalski walked in to the ring. The same sounds of displeasure were heard from the crowd.

Many spectators wondered how two such hateful men could do battle and not kill each other in the process. Mad Dog was infamous for bloodying his opponents. Many were the men sent to the hospital after encountering the wild wrestler.

But Killer Kowalski enjoyed a reputation equally appalling. He had ravaged so many fine wrestlers he was finding it difficult to find matches against anyone except other vicious wrestlers. And so he agreed to battle Vachon.

PUT A LIGHTENING BOLT IN YOUR HAND

NOW, THE FAMED "PRIESTS LIGHTENING BOLT" OF ANCIENT CHINA, THE SIMPLE BUT INCREDIBLY DEADLY YAWARA, THE SECRET OF THE CHINESE FIGHTING MONKS, THAT TURNS YOUR FIST INTO DYNAMITE,

CAN BE YOURS...

ABSOLUTELY FREE!

HERE'S HOW TO GET YOUR FREE POWER PACKED YAWARA

Yes, it's true . . . the power packed Yawara is yours absolutely free when you order the book "Yawara Power," the instruction manual designed to take you step by step and make you a master of the most dynamic and unbeatable fighting force ever harnessed by man.

Yawara Power is not some new "gimmick." It is an ancient, incredibly effective fighting technique utilizing the deadly Yawara, which was devised by CHINESE FIGHTING MONKS and proven in the field of combat for more than two thousand years.

WHAT IS THE YAWARA?

It is a small, specially-made weapon you hold in your palm. The Yawara gives you a special advantage over any attacker because every inch of it spells deadly trouble.

The powerful Yawara weapon turns your fist into dynamite . . . crushes bones, rips flesh, makes your opponents BEG for mercy.

And you can use it as an effective shield against flick knives, switch-blades, chains, brass knuckles and anything else your attackers use.

Yes, thugs who know about Yawara—after only one encounter—run at the sight of this stick-like weapon!

FANTASTIC SECRETS NEVER BEFORE REVEALED!

Now is the first time you can obtain not only the deadly Yawara, but also a profusely illustrated course showing, in action packed pictures, every shattering maneuver against street fighters, muggers, professional fighters and EVEN men armed with knives and other weapons.

This manual is so clearly written, so well-organized in situation by situation "how to do it" chapters, that you will be able to use the Yawara the very first day.

COMPLETELY LEGAL!

What's more, the Yawara defense weapon is perfectly legal. You need no permit to carry it, there are no laws against it.

Unlike flick knives, switchblades and zip guns, the Yawara is harmless in itself. **It is only deadly when you know how to use it. This means that even if an attacker should get hold of your weapon he is unable to use it against you.** And because the Yawara is so small, you can carry it in your pocket wherever you go.

YAWARA . . . THE ONE THAT CAN'T FAIL!

Yawara *must* work for you. It is widely used in the Orient by men and women who are too old, too young, or too weak to defend themselves by sheer strength.

The Yawara device makes up for this lack—puts a "lightning bolt" in your hand. You control the power of a pile-driver, *without* spending years hardening your hands.

Police around the world use Yawara techniques to put down riots, calm down "tough guys," and restore law and order.

WIN NEW RESPECT!

Win the respect and admiration of everyone you meet RIGHT NOW—through the AMAZING power of YAWARA.

See how your friends, neighbors and loved ones admire you when you prove how easily you can master even the toughest thug or bully.

And most important of all, prove to yourself that no one can push you around—that you're just as good (and maybe better) than anyone else.

NO-RISK OFFER!

Send for your Yawara Course today, and put it to the test. Try it playfully on your friends, family, neighbors (but please be careful not to hurt them). Enjoy this new power for a full thirty days. Then, if you're still not convinced, just return the book for a refund of your purchase price.

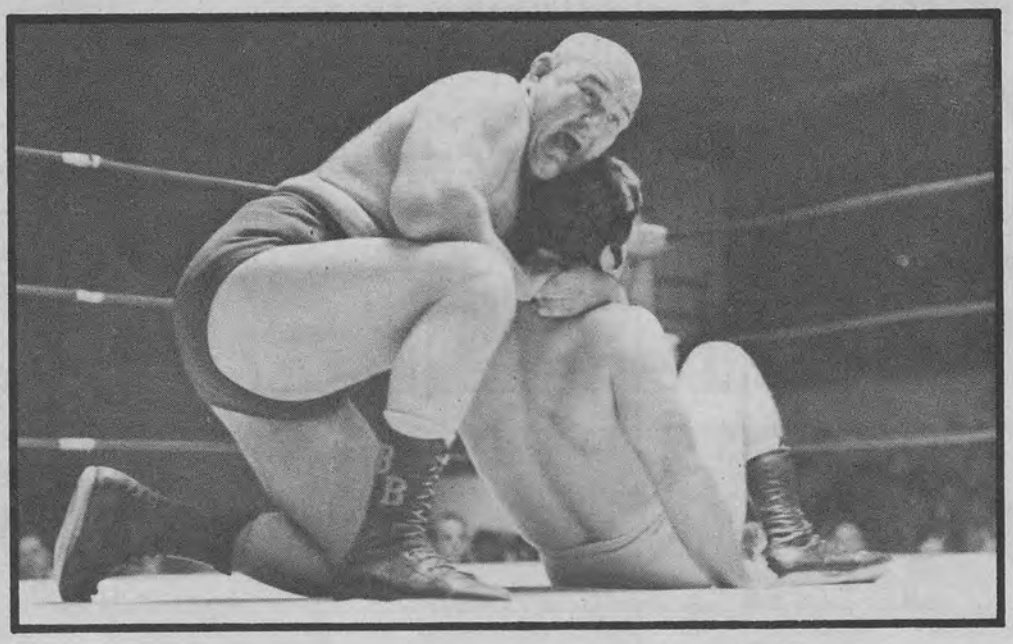
BRUTE BERNARD—



UNDERRATED TERROR!

According to Brute Bernard, there's a conspiracy to keep him out of the ratings. And that's the only reason—he says—why he remains the most underrated man in wrestling

THERE IS ONE person who *knows* who the most underrated wrestling villain is. Brute Bernard is the person who knows. And he knows wrestling's most underrated man is Brute Bernard.

The only thing that confuses Bernard is the reason why he's the most underrated wrestler. But you can be sure Bernard has some theories.

"I'm too good," Bernard mourns, "I'm just too good. If I got the recognition I so richly deserve, all other wrestlers would seem incompetent by comparison. Promoters are afraid of my dominating the sport. I can understand how those rats feel, but that doesn't make it right."

Of course, many people feel Ber-

Darling Dagmar monkey flips Diamond Lil in a quest to win a title that does not even exist! "Lil claims the title," Dagmar says. "She has no right to. I'm champ."

CHASE FOR A NON-EXISTENT TITLE

An old fashioned airplane spin has Dagmar in charge. "Lil is a mean, dirty wrestler," Dagmar says. She doesn't deserve to claim the title. It will give all midget girls a bad name."

There is no midget women's champion. But don't tell that to Diamond Lil. She claims she's the champion and will stop at nothing to prove her point

WHILE THERE IS no official girls' midget wrestling champion, Diamond Lil claims the title. But a very angry Darling Dagmar is following her around the country, determined to make Diamond Lil shut her mouth!

"I am the champion!" Diamond Lil insists to promoters and fans. "There is no midget girl in the world who comes close to my talent, strength, and cunning. Therefore, since I'm the best, I am the champion. That's the way I want to be introduced and known—the great Diamond Lil, midget girl wrestling champion of the world!"

Lil is probably one of the meanest wrestlers in the sport—of any size or sex. The screams of her opponents seem to make her continue that much harder and crueler. Only the bravest and most skillful girl midgets even consider wrestling her. Her reputation for viciousness is reknowned throughout the wrestling world.

That's why Darling Dagmar's continual pursuit of Diamond Lil is so remarkable — and startling. But Darling Dagmar is a very proud and determined woman. She re-

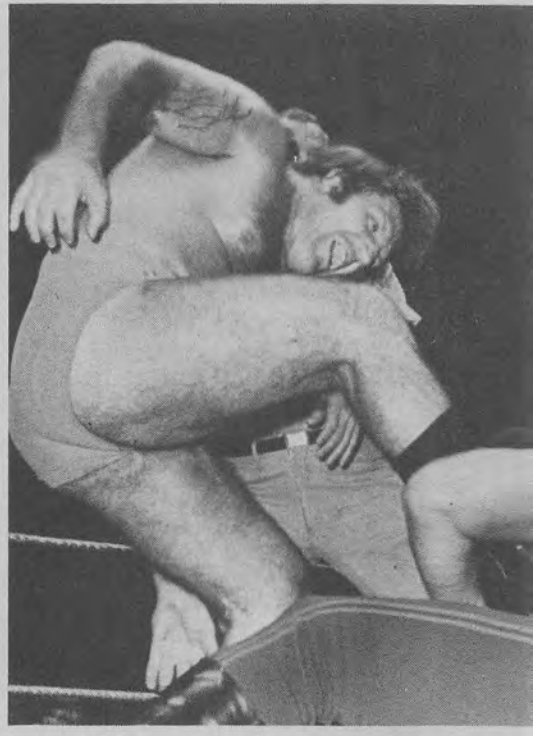
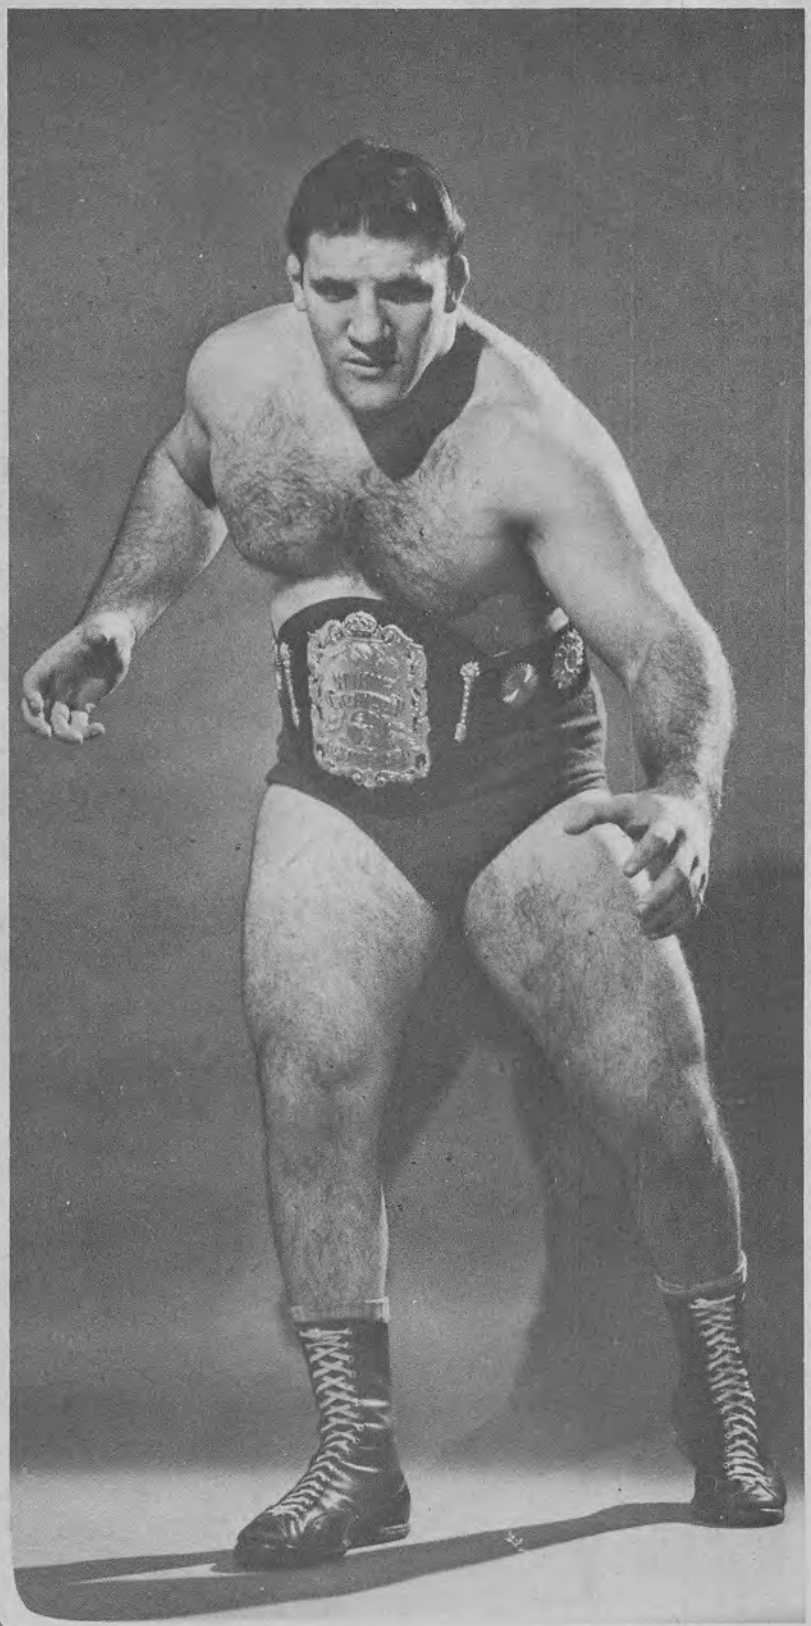
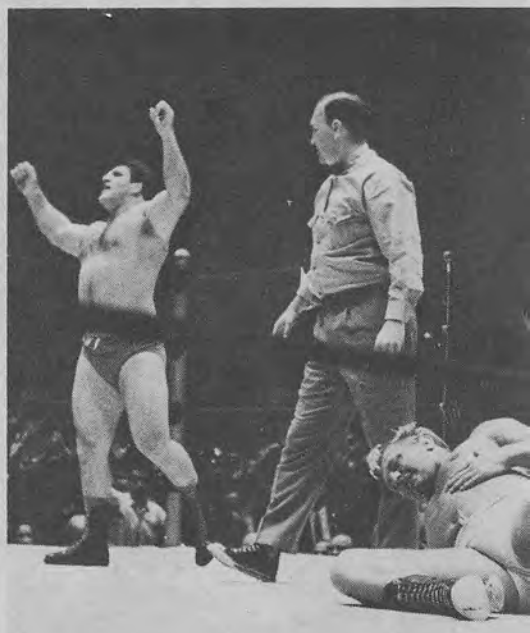
YOUR FAVORITE WRESTLERS' CAREERS IN WORDS AND PICTURES!



BRUNO SAMMARTINO— A LIVING LEGEND





Bruno as he looked (left) when he won the W.W.W.F. title in May '63. Bruno whipped Buddy Rogers (above) for the championship in 48 seconds.

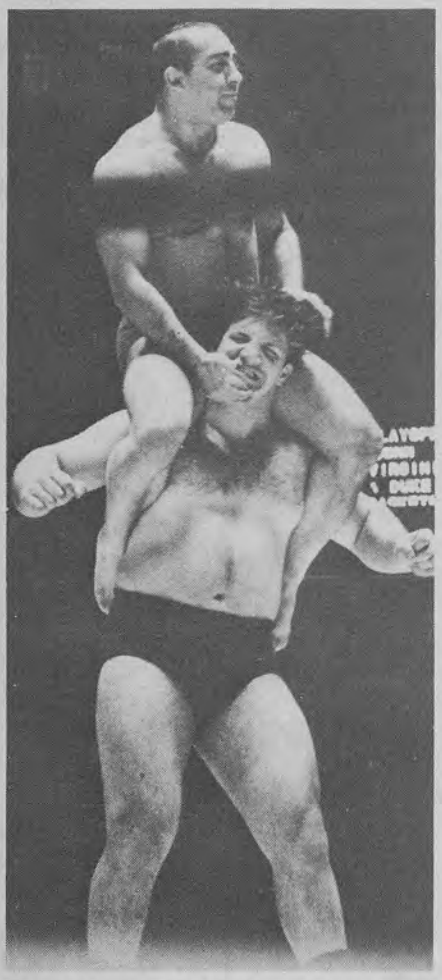
BRUNO SAMMARTINO has become a legend in his own time. Born in Italy, Bruno took an interest in wrestling at an early age. The man who helped spark his interest was named Batisti. He ran a club where Bruno liked to work out.

The workouts helped Bruno put muscle on his small frame. As he continually built himself up, he got stronger and stronger.

Our records show that Bruno's first opponent in America was "Tiger" Jack Vansky. In an interview, just a few years ago, Jack said, "Bruno had the makings of a champion even then."

One of his most amazing feats early in his career was when he lifted Haystacks Calhoun off his feet.

Bruno's proudest achievement came on May 17, 1963. It was on that date that Bruno won the World Wide



Before he won the title, Bruno met the challenge of the best in the business. Left: Zuma steers Bruno around the ring. Right: Fred Blassie jolts Sammartino with an eye gouge.

Wrestling Federation title from Buddy Rogers in a mere 48 seconds!

The next few years saw Bruno defend the title honorably against a complete "Who's Who" of the sport. Dr. Jerry Graham, The Sheik, Fred Blassie, Killer Kowalski and hundreds of others.

On January 18th, 1971, Bruno's reign as champion was ended by Russian giant Ivan Koloff, a man Bruno had defeated several times before.

After losing the title he travelled worldwide and proved what a great wrestler he is by taking on all comers. In 1972 he won Los Angeles' annual 22-man battle royal, a feat only few men have accomplished.

Bruno wrestled Pedro Morales, the man who defeated Koloff for the title. The match went to a stalemate after the 11 p.m. curfew had

Left: Bruno's in charge of the W.W.W.F. title again after whipping Stan "The Man" Stasiak, the date—December 10th, 1973. Below: Bruno enters and wins Los Angeles' annual 22-man battle royal.

Left: In early 1973 Bruno ventures to Montreal to renew an old feud with Killer Kowalski. While there, he and Edouard Carpentier win the Gran Prix tag team championship. Right: Using his feared bearhug, Bruno crushes the breath out of then N.W.A. champion Harley Race in St. Louis in June 1973. Bruno was on the way to winning the title when the match was halted due to the time limit. Bruno drew record gates in St. Louis and every other city he appeared in throughout his career.

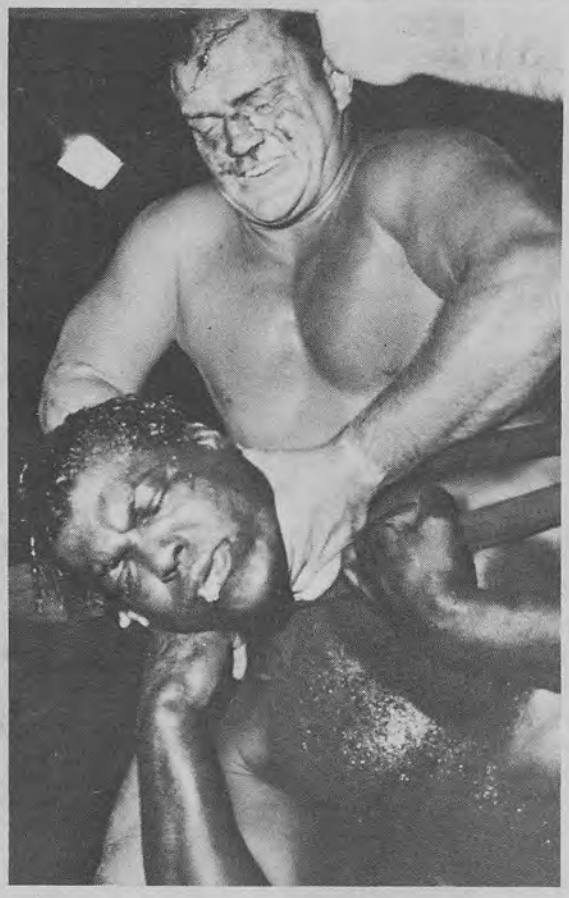
sounded. They wrestled classically for one hour and 16 minutes!

Bruno's travels took him to Montreal, Canada where, together with Edouard Carpentier, he shared the Gran Prix tag team title. Finally, because of his busy schedule, Bruno had to vacate his half of the title.

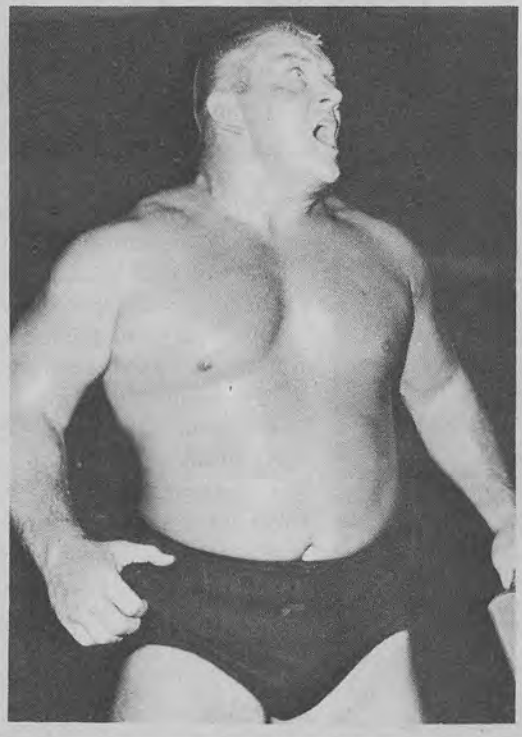
Then another title came his way. He thought it would be fun to team with Bruiser. Together they won the W.W.A. tag team title.

Bruno became the only man in history to regain the W.W.W.F. title when he upset Stan Stasiak, the man who defeated Pedro Morales for the belt. □

BRUISER — ONE-MAN RIOT SQUAD



Left: Bruiser won't stop until Bobo Brazil is totally unconscious. Even then he was hesitant to! Right: Chairs are a large part of his early career as he shows Don Curtis. "He's the craziest wrestler I ever wrestled," Curtis said.

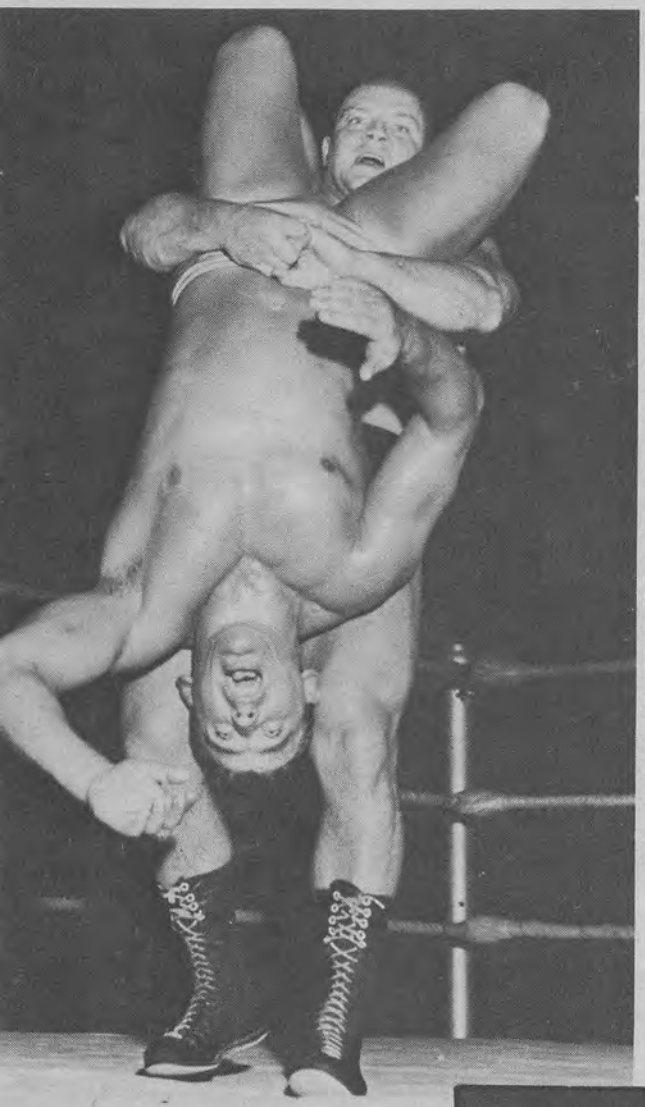


Left: Bruiser threatens his opponent with a chair.
Above: A movie company asked Bruiser to pose with a visiting ambassador. Little did he know what he was in for!

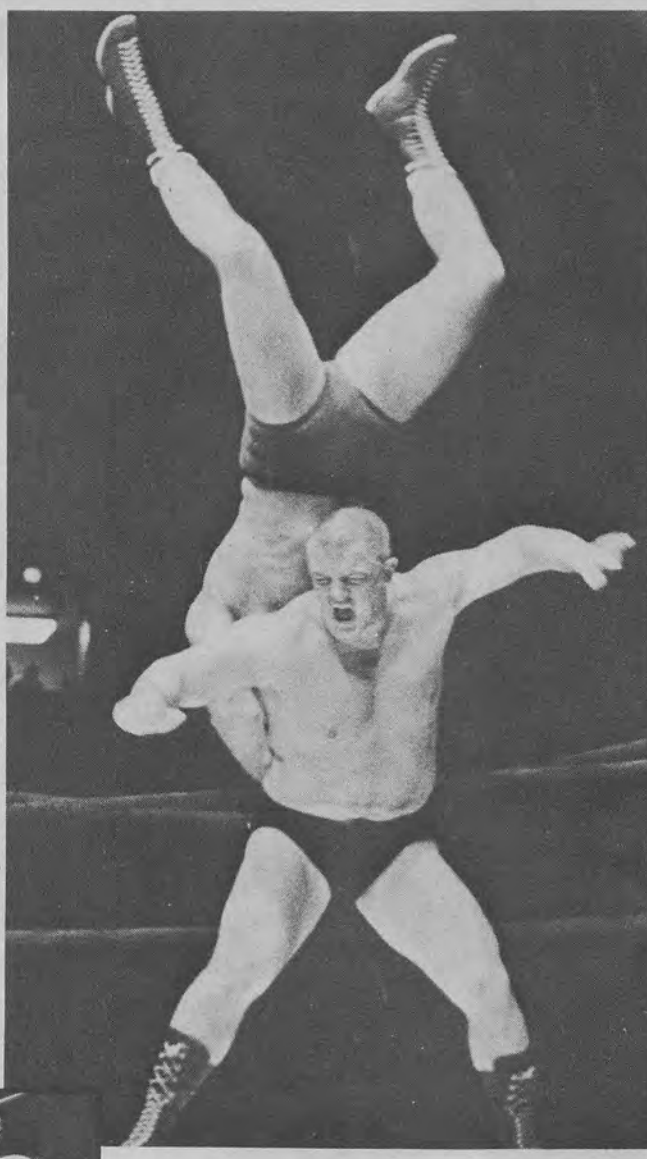
DICK THE BRUISER, "the one man riot squad." That's the title that was hung on Bruiser early in his career and it sticks today.

Bruiser thought nothing of injuring anyone who'd step into an arena —fans, referees or wrestlers. He's probably the cause of more riots than any other single wrestler in history.

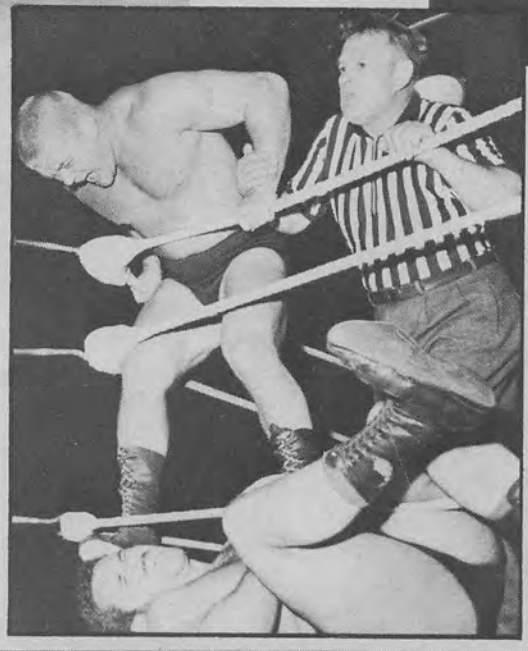
Because of his wild, maniacal actions, many states have refused to license him to wrestle. New York City is one.



Left: Without much effort, Bruiser is about to piledrive Ed Carpentier's head into the canvas. Right: Wilbur Snyder is viciously backdropped out of the ring by Bruiser. Since Bruiser became a fan favorite, he mended his feud with Snyder and they're now on good terms. Bruiser now only wrestles known rule breakers and fans love him.



Believe it or not, one of the only men The Sheik didn't look forward to wrestling was Bruiser. Why? Because he dishes out what The Sheik likes to hand out, brutality! The Sheik is choked (right) by Bruiser in one of their first battles. They had a series of brutal battles with neither of them coming out on top by decisive margins. The matches ended mostly in double disqualifications.



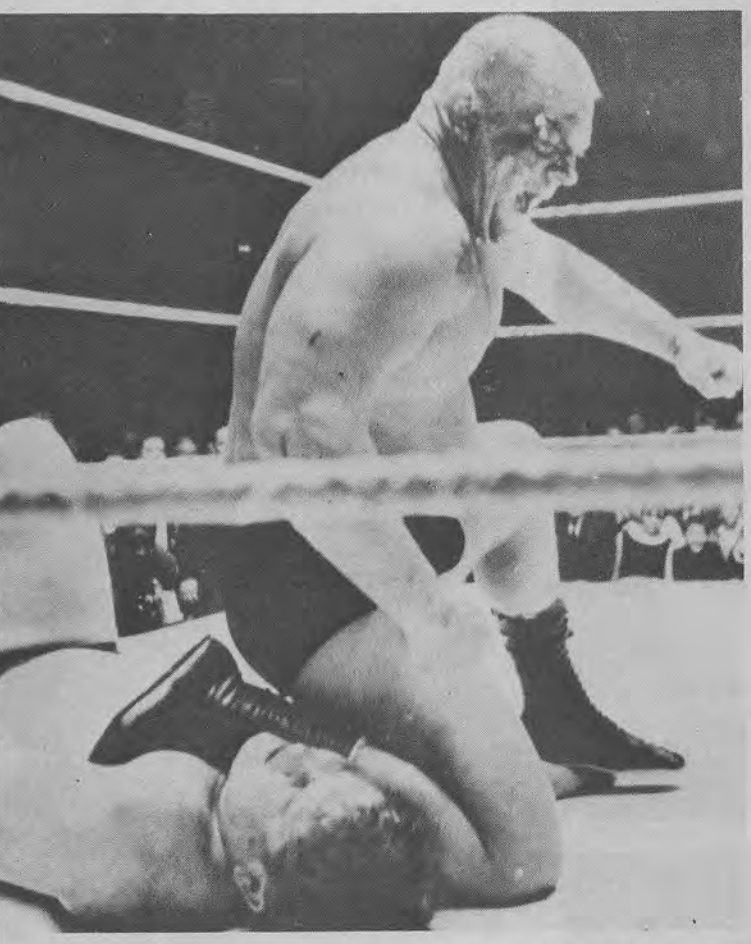
"We'll never let him wrestle back here," one commissioner said after Bruiser incited a full scale riot at the old Madison Square Garden.

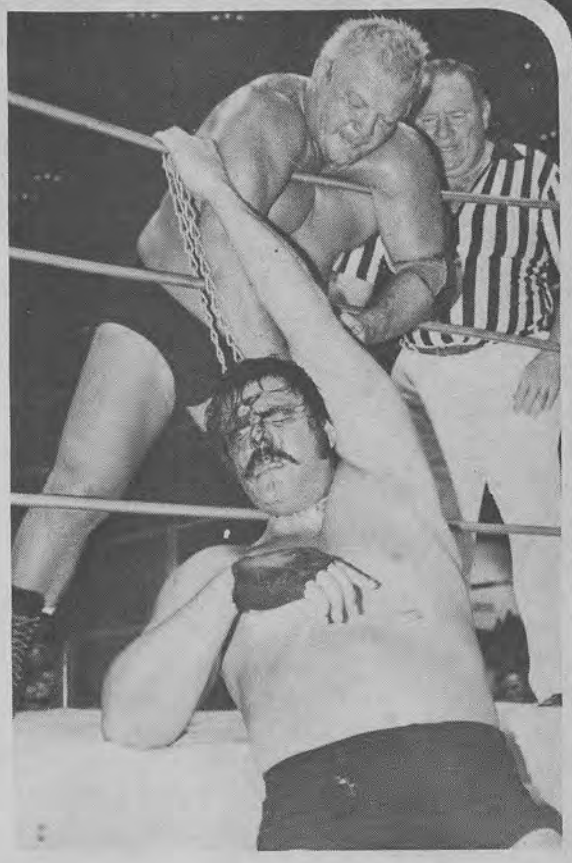
But that didn't bug Bruiser. He found places to wrestle but found it hard getting opponents.

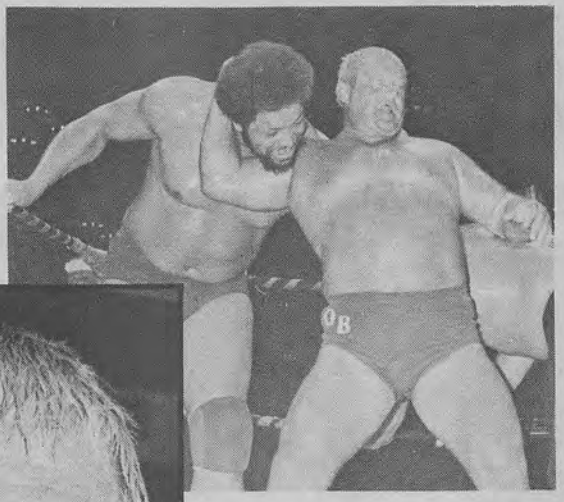
He won the United States title early in his career and has held various regional titles. He rarely got shots at the heavyweight title because "he's a bad image for anyone to look up to," one promoter said. "That's why I'd never let him wrestle the champion."

Although he likes single matches best, Brusier often did, and still does,

After a brutal bar room brawl between Bruiser and football star Alex Karras, the two of them have it out in the ring (below) almost killing each other. Bruiser's deep hate for Blackjack Mulligan and all Bobby Heenan's men is evident as he strangles Blackjack with a chain during a chain match (right).





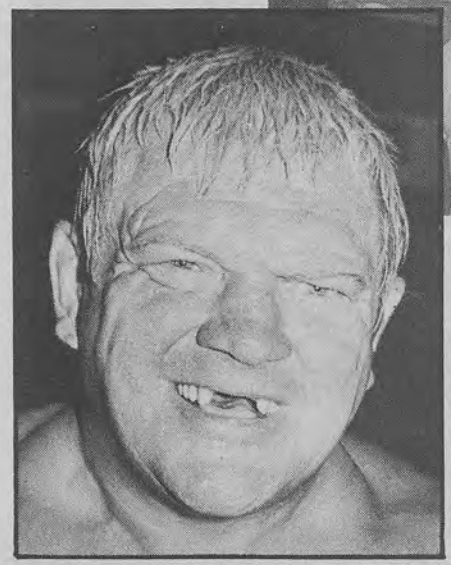


team with Crusher, who is in the same boat. Banned in many cities.

Because of the lack of "gutsy" opponents, promoters started booking Bruiser to wrestle men like The Sheik and his kind. Bruiser couldn't believe it. He was being cheered by the fans and he really liked it. It was the turning point of his career.

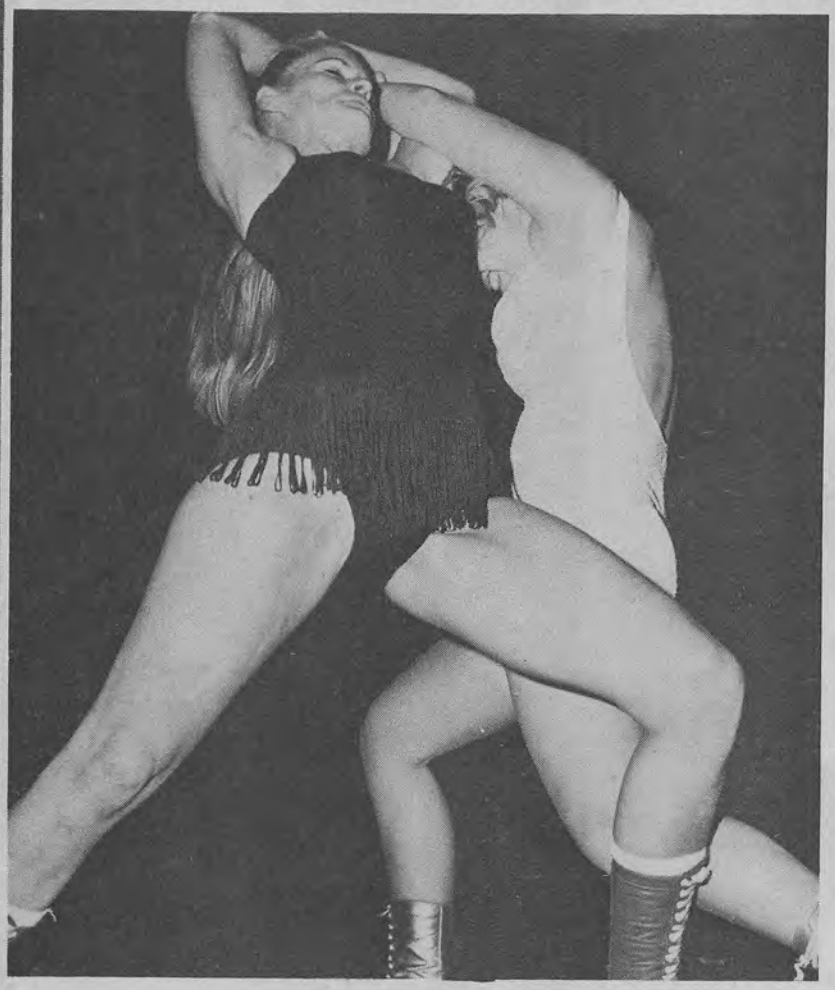
When he moved into the Detroit area he captured the World Wrestling Association title. Again, he wrestled only rulebreakers like Ernie Ladd, the Blackjacks and his arch enemy Bobby Heenan.

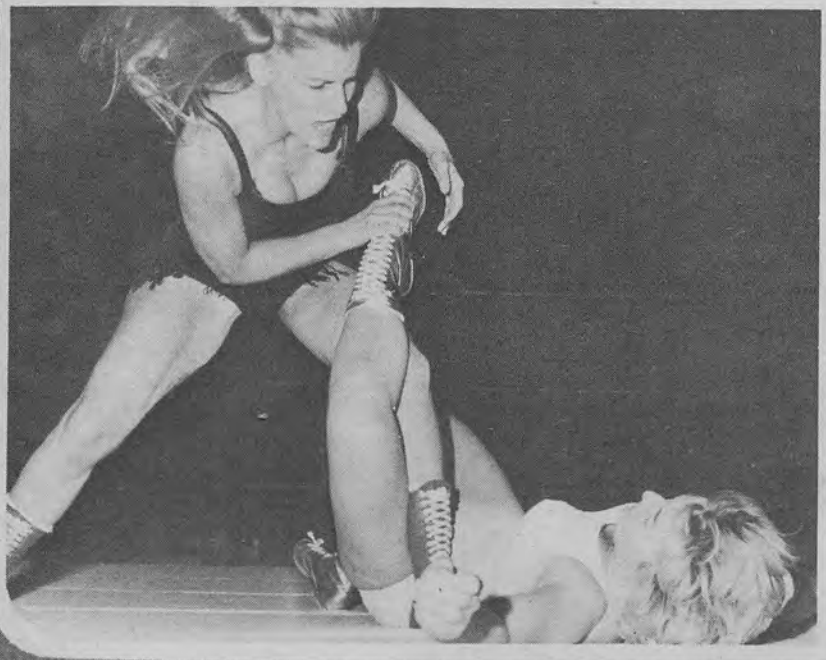
The Bruiser, still a riot squad, but loved by most everyone. □



Another man Bruiser has no love for is Ernie Ladd. In a W.W.A. tag team title match between Ladd and Von Raschke against Bruiser and Bruno Sammartino, Bruiser flips Ladd (above). A happy Bruiser (left) looks back on his long, profitable, and enjoyable career.

MARIA LAVERNE TEMPTING TIGRESS

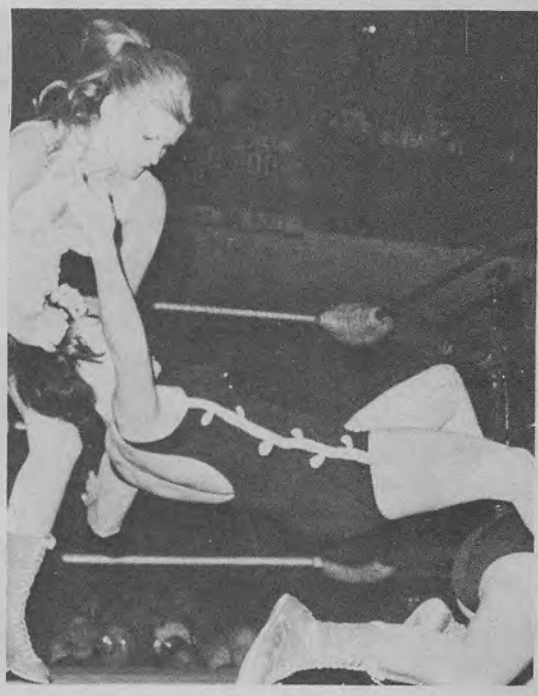




MARIA LAVERNE IS an extraordinary combination of beauty and wrestling skill.

Maria is the daughter of a professional wrestler and spent her childhood traveling from wrestling arena to arena. She grew up with wrestlers and has been interested in the profession all her life.

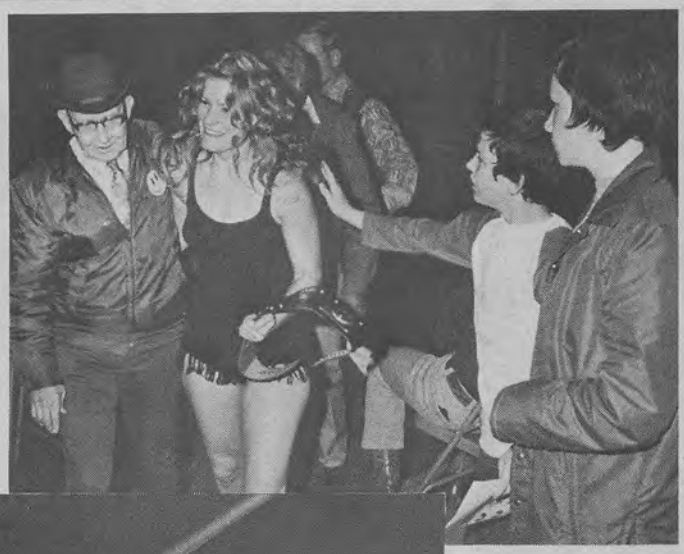
Maria also learned to be the peacemaker early in life. Angry wrestlers were soon friendly when the little Laverne girl stepped between them. It was jokingly said that promotors signed her father just to get Maria to stop trouble.



Maria's matches against Vivian Vachon (above left and below left) are considered classics.

But Maria also inherited her father's temper which has unhappily surprised many opponents. When something happens to make Maria lose her temper, she becomes an enraged tigress. Her punches are devastating, her holds are sensational, and her speed almost legendary.

But Maria is embarrassed when she can't control her temper. She would rather be totally scientific and hold no grudges once the match is



Maria can get as rough as anyone (above) as she proves during a wild tag team brawl in L.A. by pulling Betty Niccoli's hair.

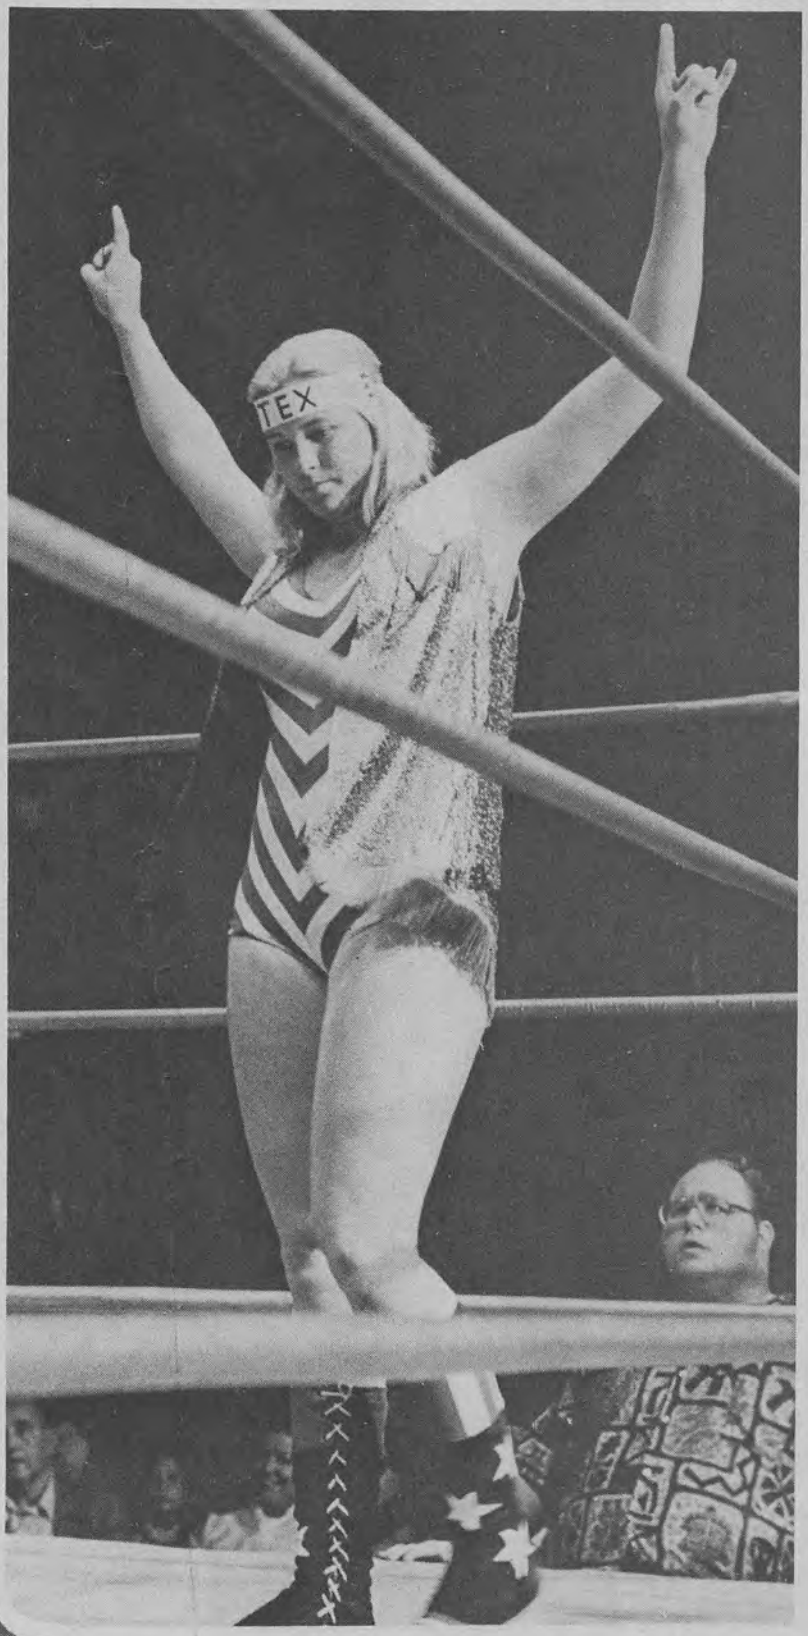
Everyone loves Maria (above). She looks more like a model (right) than a wrestler. Maria relaxes at home (below) with her cats. "I love animals," she admits.

over. She is known as the kindest woman wrestler in the profession.

Maria dislikes going out of her home state, Texas, where she wasn't born but now lives. She traveled enough as a child and enjoys settling down and raising the animals she loves.

Her friend and frequent tag team partner, Vivian Vachon, sums it up when she says, "Maria is not only a great wrestler but a great human being." □

SUE GREEN— A TANTALIZING TEXAN



When Sue Green (left) first appeared on the scene, little did anyone realize she'd be a big threat to the women's world title. Donna Christenello knows it as Sue smashes her (above). Sue has amazing strength and has a wide knowledge of many holds. She's a native Texan.

SUE GREEN IS truly a woman of Amazonian proportions. She stands six feet tall and weighs 145 pounds. She has strength many men would envy and the coordination of a great athlete. Added to the fact that Sue is only 20 years old, she seems destined to be a wrestling superstar.

Some are even talking about Sue as the woman who will defeat Fabulous Moolah.

Sue is from Alice, Texas, a small town where a girl learns to love open spaces and gets little of the pampering that makes most girls shy away from athletics. Sue was a high school sports star in track and field, basketball, tennis and swimming.

Sue was popular in Alice and it hurt her to leave. But the traveling necessary for a wrestling career

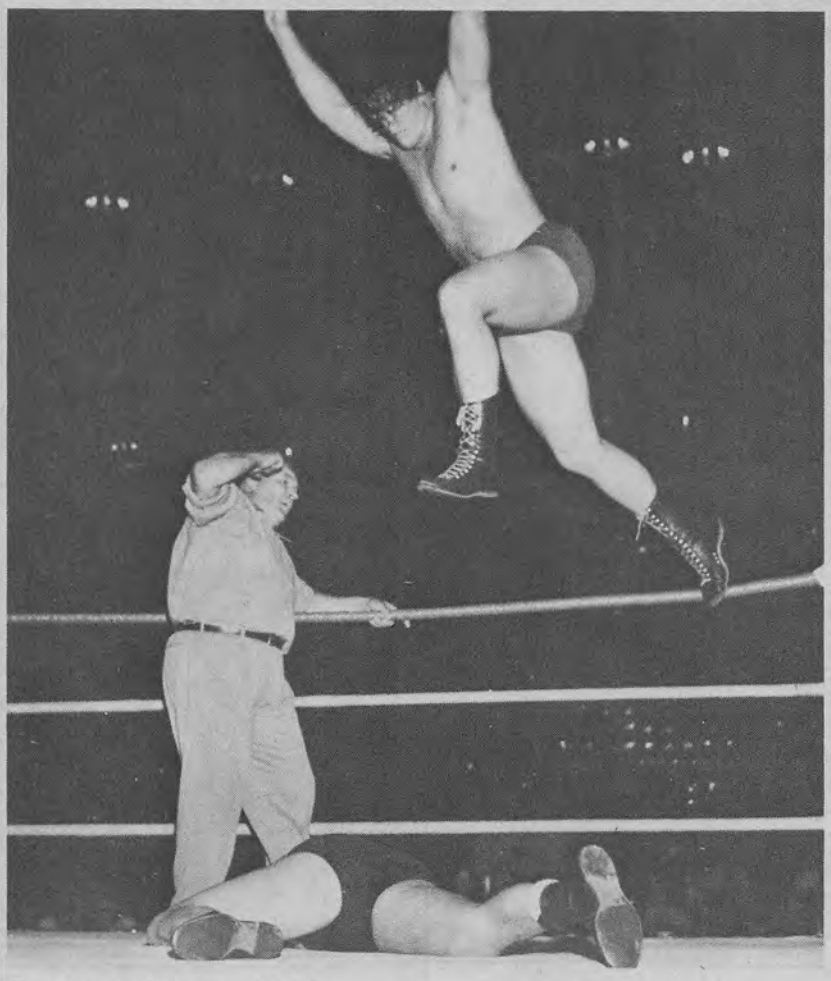
meant Sue had to go, and leave she did. More than anything else in the world, Sue Green wanted to be a professional wrestler.

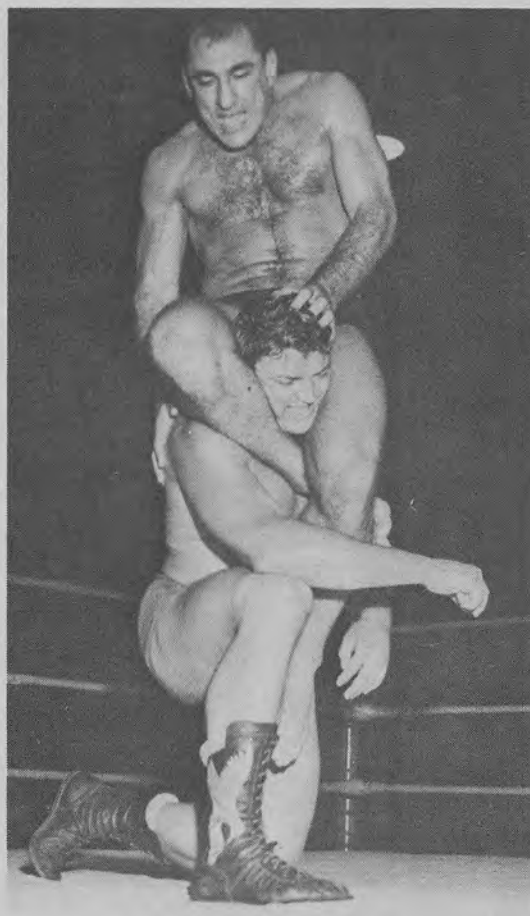
The day after she was graduated from high school, Sue went to promoter Floyd Emerson in Corpus Christi. Emerson took one look at the beautiful blonde giantess and hoped he could train her within a year to become a professional wrestler. It took Floyd three months.

"She learned faster than anyone I've ever seen," Floyd remembers, two years later, his voice still filled with awe.

In the three years Sue has been a professional wrestler she has wrestled some of the greatest women wrestlers in the world and has done amazingly well. And at 20, she has no place to go but up. □

DON LEO JONATHAN— FEROCIOUS GIANT





For a man his size, Don Leo is amazingly agile as his opponents (above and below) will definitely tell you.

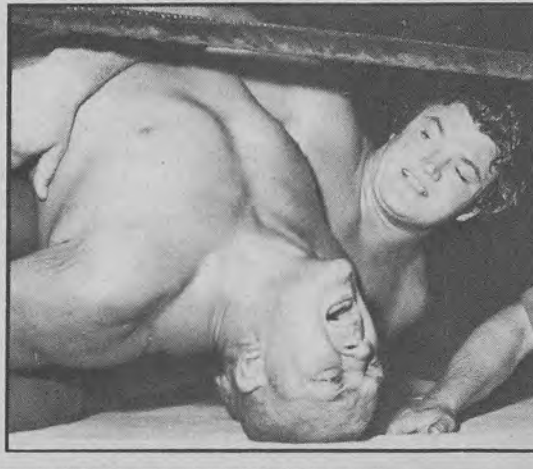
DON LEO JONATHAN is much too big for a fast man and much too fast for a big man. He's a double threat who's doubly dangerous.

Strutting like a cat who just eaten a dozen canaries, Jonathan covers the ring. His self-satisfied grin infuriates opponents and fans alike. No matter how brutal the punishment given or taken, that smile glares on his face like a defiant taunt.

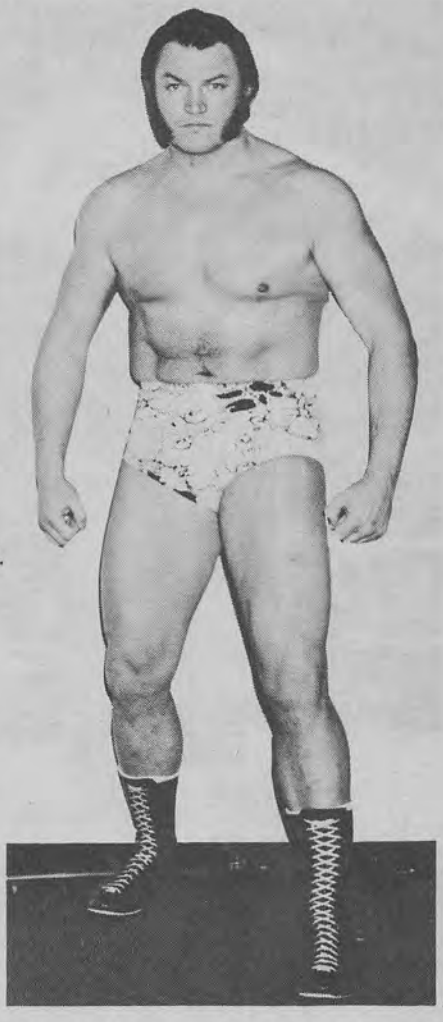
Fans and opponents are first stunned by his size. But what really astonishes is Jonathan's panther speed. He wrestles like a small man whose body had somehow grown incredibly.

While nobody denies his talent, many are angered by his disregard for the rules. Jonathan never learned to

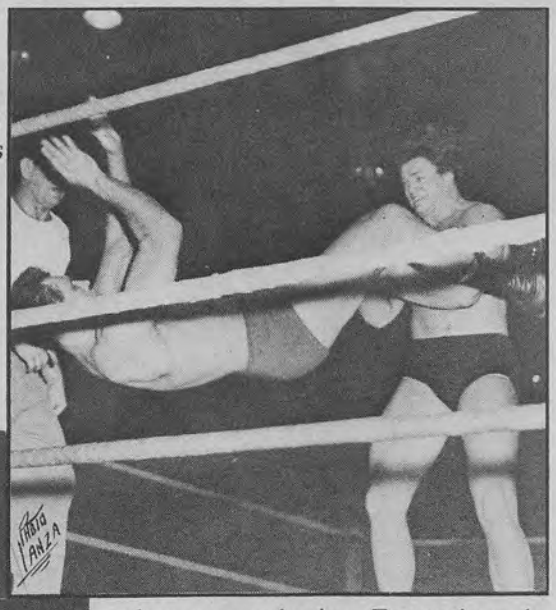
The great Antonino Rocca wrestles Don early in Don's career (above). Rocca admits, "Don was one of my toughest opponents." Jonathan is cheered by fans when he tries to cripple Dick The Bruiser (below). Jonathan does not care if fans love or hate him.



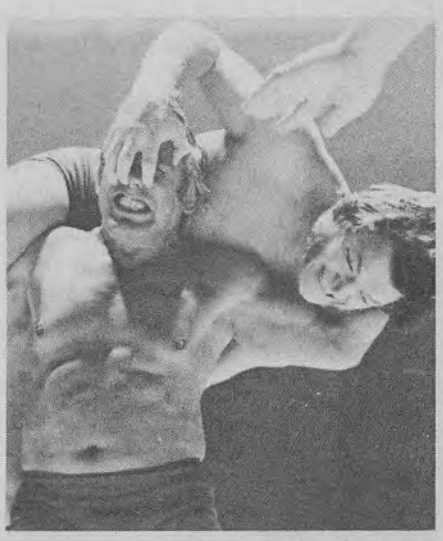
Jonathan (right) has a fantastic physique and he has maintained it throughout the years he's been wrestling. As of December 1973, Don was in charge of the Gran Prix heavyweight title. Attempts at the W.W.W.F. title failed but Don claimed, "All the W.W.W.F. champions are protected by the referees."



Leaping from the top rope and halfway across the ring (above), Jonathan kneedrops Buddy Rogers. A violent feud erupted between Don and his partner, Killer Kowalski (right), after a misunderstanding. Don and Kowalski (below) formed an unbeatable tag team duo until they split up. Both claim the other was responsible for the breakup.



One of the men Don hates most of all is Edouard Carpentier. Don's tried to rip his face apart on more than one occasion (below).



obey any authority. Formerly a deputy sheriff in Utah, he gravitated to wrestling because it was more violent world and referees care a lot less about regulation than do judges.

"I enjoyed being a cop," Don Leo Claims, "but the law kept getting in the way. The rest of the deputies wanted to uphold the law. I wanted to punish the lawbreakers."

Jonathan has done a lot of punish-

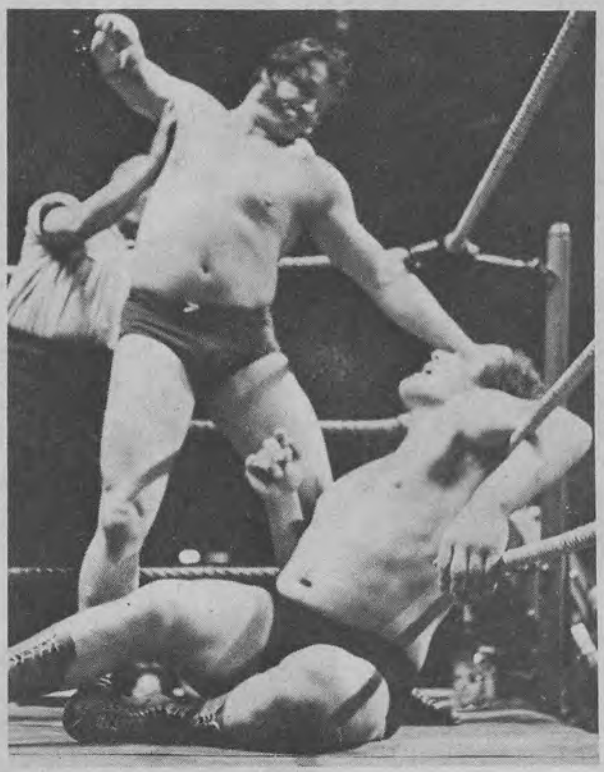
Jonathan is one of the few, if not the only man, to floor Andre The Giant (below). Andre calls Jonathan "my toughest opponent."

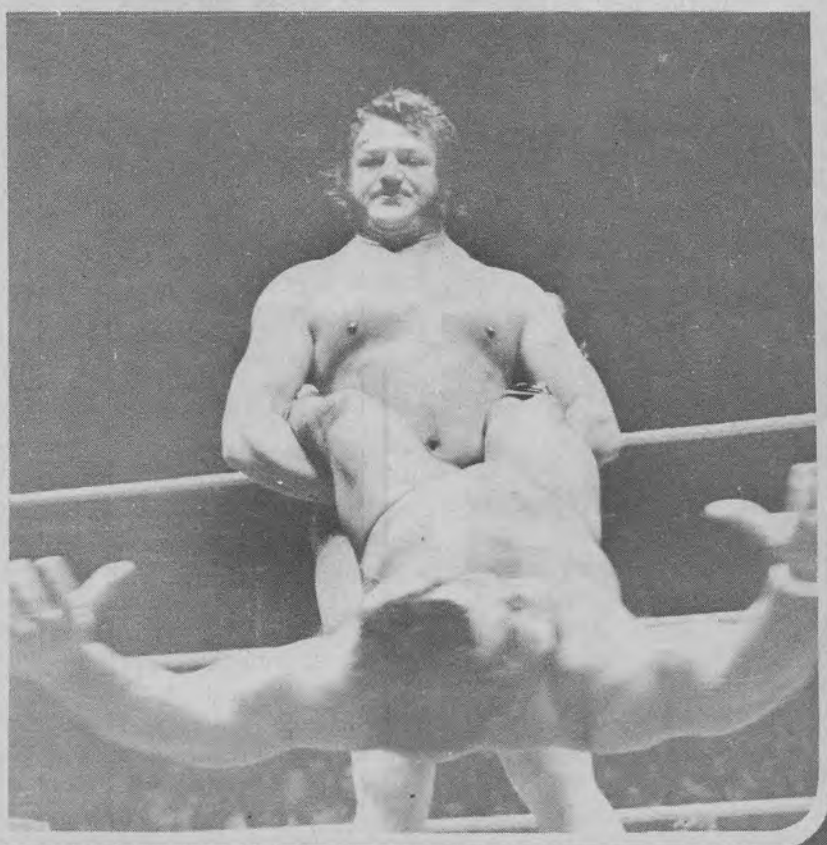


The Mormon Crucifix is what Don Leo is torturing Paul Leduc with (above) and Paul is in agonizing pain. Another one of Jonathan's pet holds and torture weapons is the Mormon Swing, which Pedro Morales is getting a taste of (right). Don tosses men like Andre The Giant around almost like they were feathers. He spends most of his time in Canada and around the W.W.W.F. areas and is certain, that "I will win the title eventually."

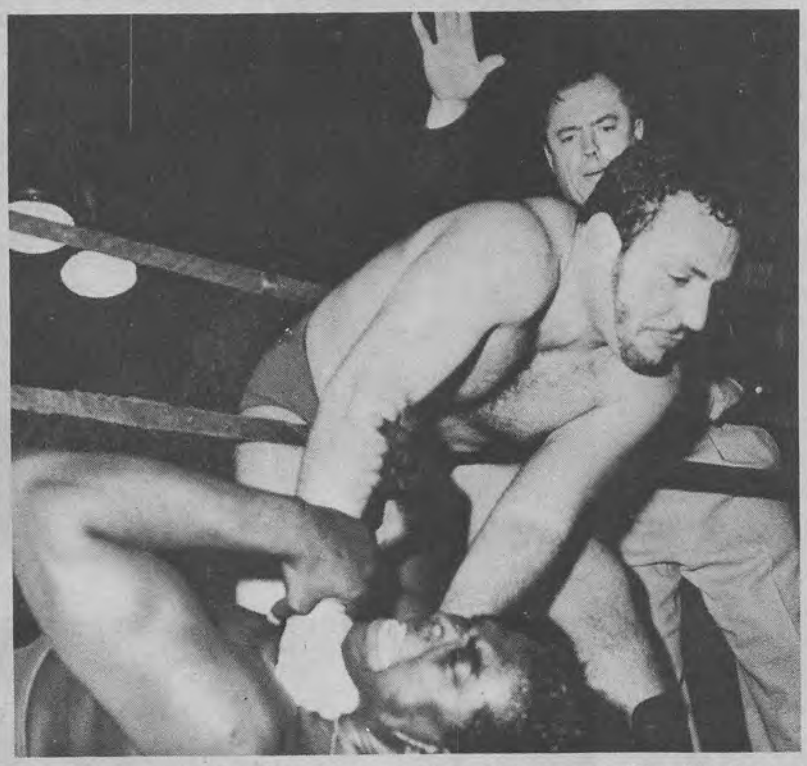
ing on his way to winning the Gran Prix title. He has left a string of bleeding, bruised opponents behind him. And its the sorry opponent whose skill Jonathan finds unsatisfactory.

"Anyone who gets in the ring with me and isn't a worthy opponent deserves to have an arm or leg broken," Jonathan declares. He has often lived up to that threat.

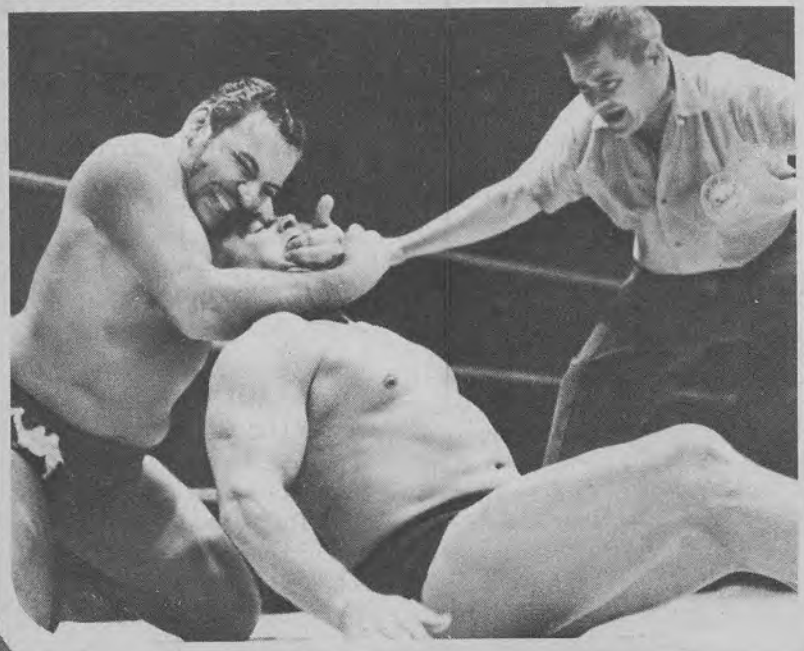
Don Leo Jonathan, the swaggering giant, is a man few people like to meet anywhere, especially in a wrestling ring. □



THE SHEIK — BLOODTHIRSTY MANIAC

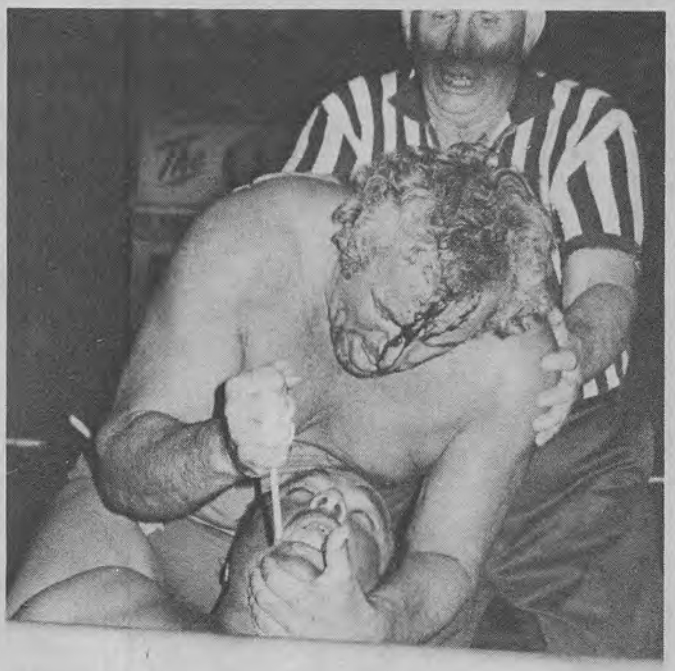


The longest running feud in wrestling is between The Sheik and Bobo Brazil. In one of their first matches against each other (above) Bobo is almost choked to death! The Sheik as he looked when he first came to America from the middle east (right). The Sheik applying a scientific hold on Edouard Carpentier (below). Yes! He has a vast knowledge of many wrestling holds but rarely uses it. He prefers roughhouse style wrestling.



THE SHEIK IS without a doubt the most violent wrestler the sport has ever come up against. Since coming here from the middle east, The Sheik has unleashed his deadly brand of terror on American wrestlers.

He loves to bite chunks of flesh from his opponent's forehead, rake their flesh with a pencil and shoot fire from his hand! That's right—The Sheik can shoot fire. Just ask Bruno Sammartino, Fred Blassie and others who have been temporarily blinded by the madman's tactics.



Top left: Dick The Bruiser is strangled by The Sheik. Top right: Sheik's famous pencil cuts up John Tolos. Left: Bruno Sammartino is powerless as Sheik throws a table on him! Above: Mighty Igor is a bloody mess courtesy of The Sheik's pencil.

When he first arrived here he had a slave girl with him. The Sheik would beat her unmercifully if she didn't obey his every wish. Many times other wrestlers had to storm into the ring to save her from his beatings.

Finally they split and The Sheik hired a mysterious man by the name of Abdullah Farouk. Farouk understood The Sheik's ways and became a perfect servant as well as a spokesman and pencil holder. A pencil holder? By that we mean he'll pass The Sheik a pencil to use on his opponents when the opportunity arises.

The Sheik won the United States

Believe it or not, The Sheik is eating wood (below) as his loudmouth manager, Abdullah Farouk, watches.

The crazed Sheik tries to cut off Baba the Giant's breath (above, right) after chewing his forehead and making him a bloody mess. Baba got in some shots of his own as is evident by Sheik's face. "I'm the only one who does."

title from Bobo Brazil early in his career and the title has shifted between them several times.

He thinks nothing of wrecking entire television studios and is impossible to communicate with.

Blood is his trademark. Wherever The Sheik wrestles you can be assured he'll make his opponent bleed, and he very often winds up bleeding along with them.

With every match The Sheik seems to get wilder and wilder. But remember, when you see him wrestle, you're watching a great athlete, whether you believe it or not. □

THE BATTLING GIRLS WHO MUST BE APARTMENT WRESTLERS

Two brawling beauties supposed they had left apartment house wrestling behind them. Then, through a coincidence, they returned to the sport for one of the greatest battles ever witnessed!

DAVE MOLL, the impresario of apartment house wrestling, sat uneasily in the dentist's chair after a very painful tooth extraction. At his side was a beautiful young dental technician, trying to comfort Dave and ease his pain as the novacaine wore off.

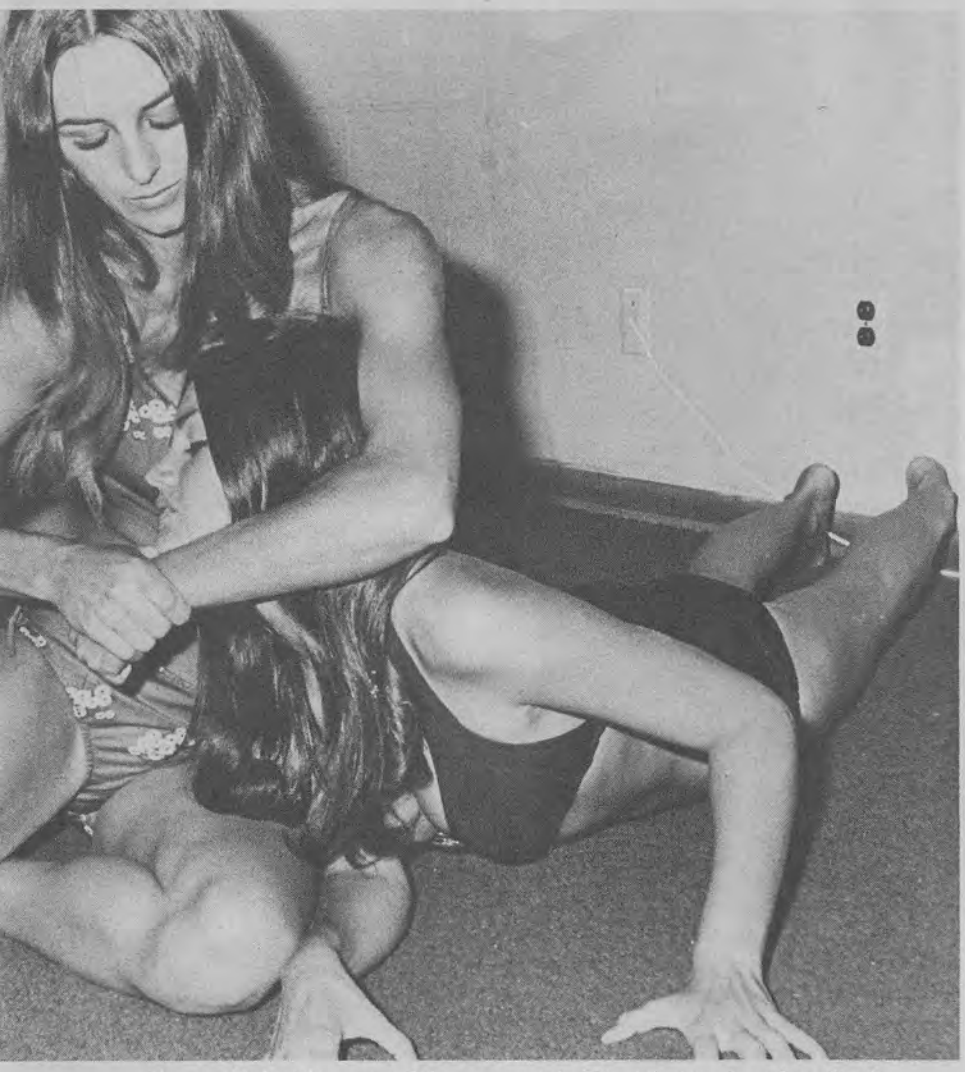
Something about the girl looked very familiar, though Dave could not figure out what it was. Her graceful manner, her winning smile, her firm, strong beautiful body evoked a memory of the recent past in Dave, but he could not place the remembrance.

As the glorious brunette amused Dave with several humorous anecdotes, a vision came back to Moll of this exquisite woman in a different situation—an apartment house wrestling match. But Dave knew she could not have wrestled in one of the matches he had arranged; he kept detailed notes of what every woman wrestler was doing and where she was at the present time.

Then he suddenly remembered where it was he had first seen the beautiful brunette dental technician.

A smile came over his face as he thought back to the night of the first apartment house wrestling match. It had all been a strange series of coincidences resulting in Gloria wrestling a wild, voluptuous young woman named Valerie. It was that night Dave Moll became the saviour of the fledgling sport. Unfortunately, he had lost contact with the

Gloria writhes in tempestuous agony as Valerie's thighs lock around the beautiful brunette's middle late in the wild battle.



Above: Valerie's powerful arms crush Gloria's jaw in a headlock. To escape the agony of this torture, Gloria's lithe body flops on the carpet with desperation thrashings. The tormented beauty finally did free herself from her foe's hold. Below: Valerie's exquisite torso arches with determination as Gloria's full weight bears down upon her. Valerie did manage to avoid being pinned.

Gloria's beautiful body is in agony as Valerie twists her arms and ruthlessly knees her back.

two original girl grapplers.

But now, standing at his side, was the first victorious apartment house wrestler comforting him, trying to make him forget his pain.

Dave turned to the magnificently proportioned creature and asked, "What do you hear from Valerie?"

"She's fine," said the brunette. "Wait a second—how do you know I have a friend named Valerie?"

Dave laughed for a second, then told Gloria he remembered her from the night she and Valerie became the first apartment house wrestlers. He explained how inspired their battling had made him.

Gloria was fascinated as Dave told her about the new heights the sport had reached in the past few years. And what had started as a few quirks of fate had grown into the world's most erotic exclusive sport.

Moll told her of the many matches staged in New York and Los Angeles where the country's wealthiest men watched two magnificent women battle with savage fury. He told her there was even a champion of apartment house wrestling, though the crown had been retired with no one holding the title by choice. Gloria was awed at what she had helped originate.

The two talked for more than an hour. Dave forgot his pain completely as he watched the girl. He realized she would still be a magnificent wrestler. *Continued*

Left: Valerie is cold, cruel and merciless as she chokes her foe in a headlock. Gloria's lush body is weakened badly from the pain. Above: One hand in the hair of Gloria and the other in a fist, Valerie attacks her foe.

"Do you keep in close contact with Valerie?" Dave asked. "Because if you do, I would like to see you both battle again." He explained how he operated the sport in New York. Gloria told him she would consider his offer and get back to him.

Two days later Gloria called Dave at his penthouse. She explained to him Valerie had recently moved to the city of Rochester in upstate New York, and she really could not come to New York City at the present time, though she was interested in resuming a part time career as an apartment house wrestler. Dave thought about the situation for a second, then said, "All right, we will have the match in Rochester. It can be arranged with no difficulty."

The match was scheduled to take place in the apartment of a friend of Dave's who taught at a Rochester music conservatory. Valerie and Gloria were at a loss on how to prepare for the match, so Dave gave them step by step instructions for tuning their bodies into perfect wrestling figures. Though they were the original apartment house wrestlers, they had not engaged in this type of erotic battle since their initial encounter.

Several wealthy men from New York City, upstate New York, and from the southern Ontario region traveled to the Flower City to witness the rematch of the original apartment house wrestlers.

The two girls nervously awaited the start of the match in one of the apartment's bedrooms. They did not know how to react to one another. Though they had become good friends since the initial match, they knew within a few short minutes they would be engaged in a brutal erotic battle. When Dave came to summon them, they wished each other luck, though the wishes rang a slightly false note.

Valerie entered the main room first. The spectators were awed by the blonde's magnificent beauty, her well-proportioned statuesque body gliding gracefully to the center of the room. All eyes were focused on the exquisite woman standing boldly before them.

Now it was Gloria's turn to make a triumphant entrance. The voluptuous presence lighted slowly into the central area, her black bikini admirably enhancing her firm supple breasts. No words could describe the erotic emotions instantly welling up in the wealthy group of important men.

(Continued on page 56)

Gloria's headlock brings her foe to her knees as Valerie's face twists in agony (above). After throwing Valerie to the carpet, Gloria attempts to pin Valerie (left and below). The attempt barely failed; Valerie was lucky to make her escape.

Billy "Superstar" Graham stunned the wrestling profession by pinning WWWF champion Bruno Sammartino during a tag team match. Is this the beginning of the end for Bruno?

THE ARENA, though filled with fans, was cloaked in silence. What had just occurred was so surprising, so shocking, people did not know how to react. When the impossible happens, a person can only sit back and try to understand it.

Then, breaking the silence like a thunderclap on a summer night, a single fan's voice was heard loud and clear.

"Graham didn't tag!" she shouted, her aged voice ringing with conviction. "Graham didn't tag!"

Immediately, the rest of the arena joined her. Cries of "illegal!" and "Robbery!" rang out with desperate conviction. A number of unflattering things were shouted at Billy "Superstar" Graham, his partner, Spiros Arion, and the referee. In one corner of the arena, a chant began which was soon taken up by everyone present.

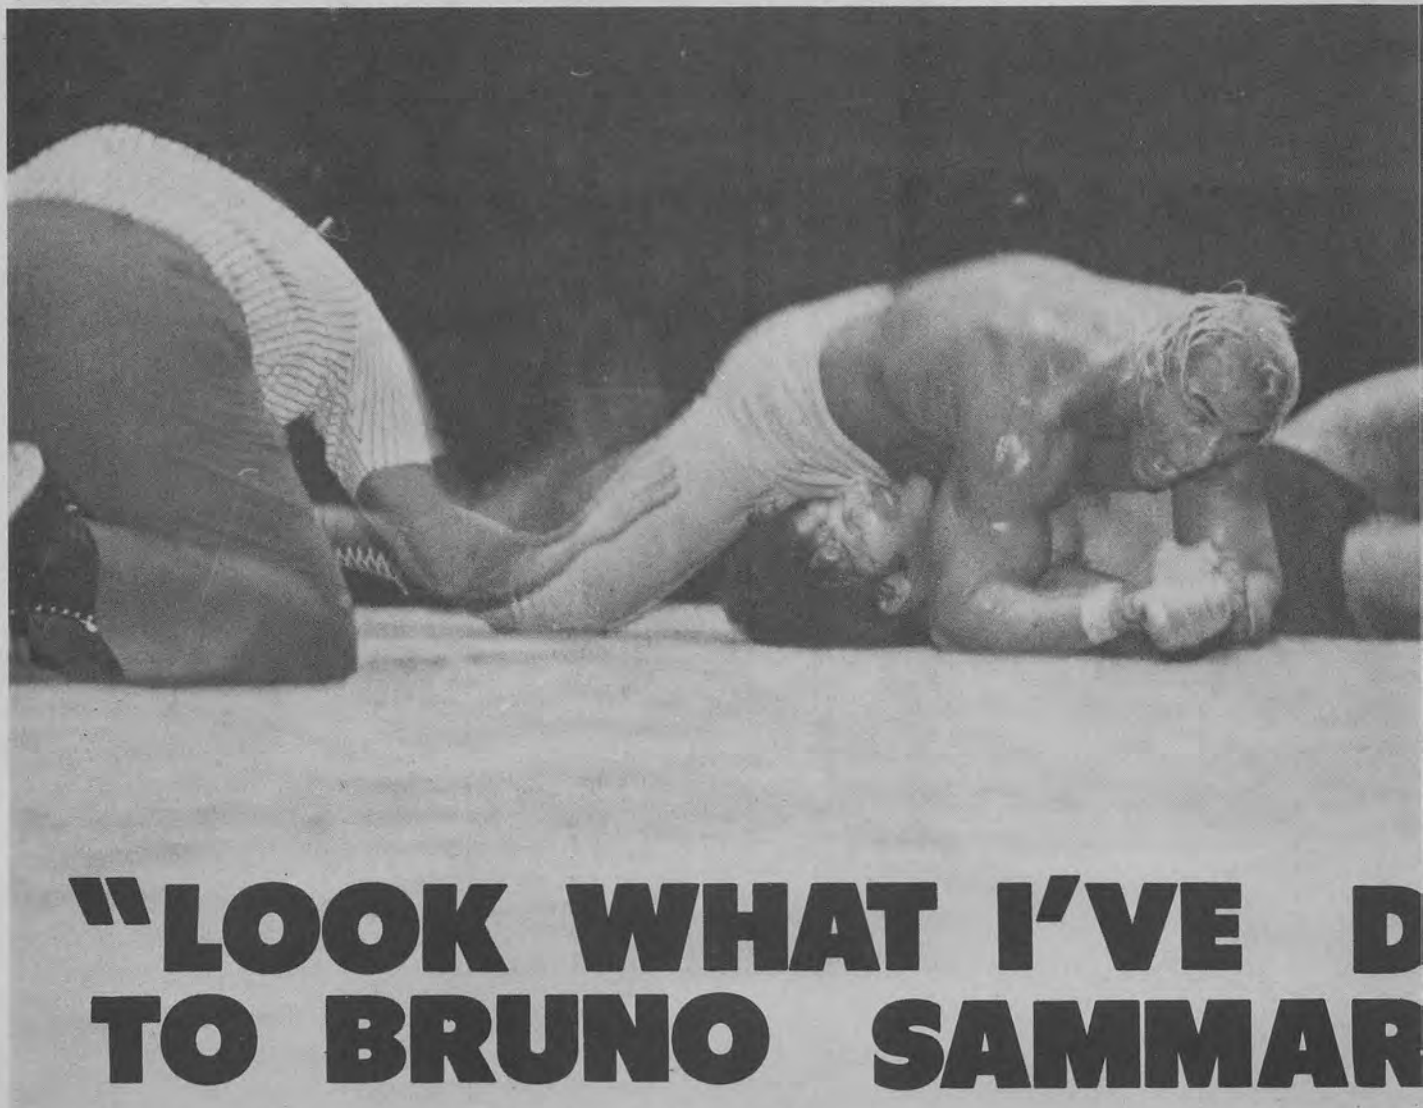
"Bruno won! Bruno won! Bruno won! Bruno won! Bruno won!" they screamed for more than five minutes. They screamed it through the announcement saying Billy "Superstar" Graham and Spiros Arion had defeated Bruno Sammartino and Dominic DeNucci after Graham pinned Bruno.

Graham *pinned* Bruno?!

That is what is will say in the record books. Fans present will always remember a different version. Many will swear their version is true; others will agree only because they desperately want to believe in it.

What officially occurred is as follows: Sammartino had Arion almost finished. The action occurred in the victim's corner. Spiros tagged Graham who leaped

BILLY GRAHAM'S BOAST:



"LOOK WHAT I'VE D TO BRUNO SAMMAR

upon Bruno, driving his knee into Sammartino's back. Bruno's body straightened as if shot; his extraordinary power was overcome by pain. Three seconds later, the match was over.

According to many observers, the tag never took place. Graham could not have reached Arion from where he was standing. Billy entered the battle illegally. Sammartino was defenseless against such flagrant cheating. No human can survive that kind of punishment. Only Bruno's excellent conditioning saved him from permanent injury.

Bruno, gentleman that he is, refused to make excuses for the loss. Not one to brood over the past, Sammartino is more concerned about future challenges. After analyzing the match and learning from it, it holds no further interest for him. The ability to put the past behind him is what makes him such a great champion.

However, others are less inclined

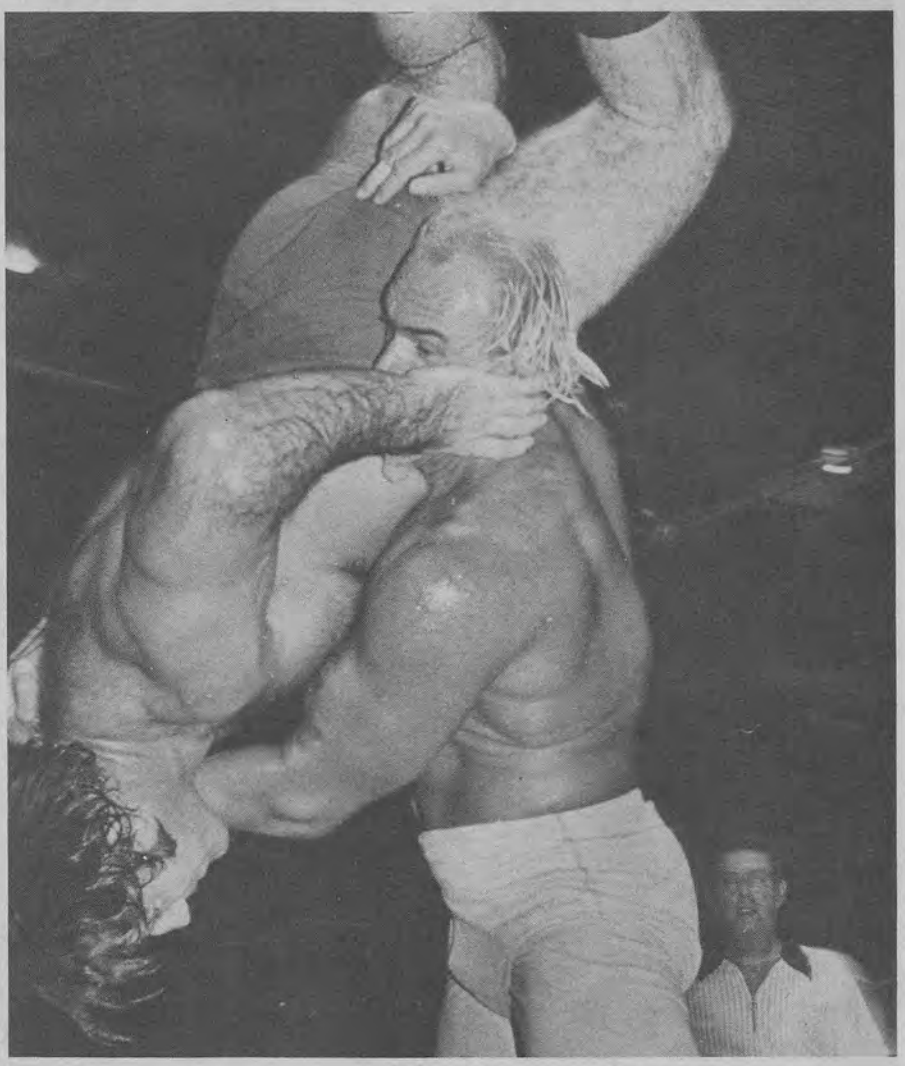
TINO!"



Superstar Graham is in charge (above) as he prepares to bodyslam the groggy Sammartino. Superstar finishes Bruno off (opposite page) as he presses him and gains a fall for his team. Bruno's concerned partner, Dom DeNucci consoles the pained champ (below).

to forgive and forget. Dominic DeNucci is willing to talk at length about the match and how he sees justice violated.

"There was no tag!" Dom states emphatically. "I'd hoped the films of the match would prove this, but the camera was in exactly the wrong place. You can't see if anything happened in their corner.

"I saw, though, and I know there was no tag. Graham tried to reach Arion but he couldn't. But 'Superstar' couldn't lose, so he went in without the tag. The referee, who was counting out Arion, couldn't see whether or not a tag was made. He can't be blamed; nobody can be in two places at one time. He simply felt it was possible the tag had been made and had to go on from there.

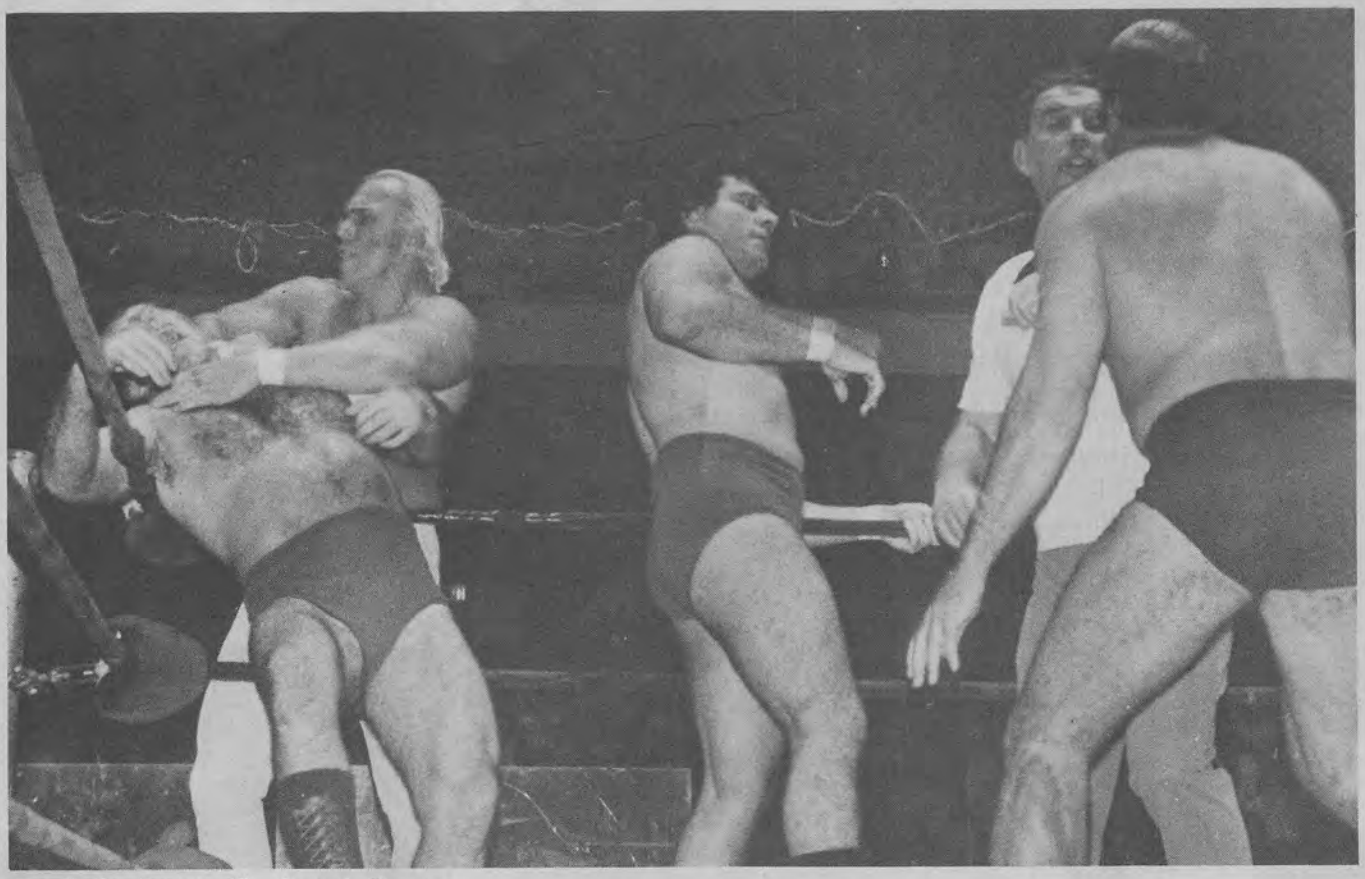
"Look, Bruno is one of the most cunning veterans in the world. He'd never try to finish a guy off close enough to his victim's corner so a tag could be made. Bruno has a sixth sense about these things. He always knows what he is doing. If Bruno tries for a pin, you can bet your last dollar his opponent is too far away for a tag!

"I'll admit it was closer to Arion and Graham's corner than Bruno might have wished. But I'll believe to my dying day he was far enough away to make a tag impossible!

"Bruno would never stoop to publicly arguing with Graham. He'll probably be disappointed in me for doing it. But I can't just sit by and listen to Graham's bragging and threats against Bruno's title. Someone has to set the record straight."

DeNucci was complaining about the recent public statements made by Graham about the match. All over the WWWF area, "Superstar" is declaring the tag team match proved he is Sammartino's superior.

"The world knows," Graham



regularly brags, "I pinned Bruno Sammartino. I can do it in a tag team match and I can do it in a championship match. I own Bruno Sammartino! I'll soon own the WWWF title!"

Though this reasoning is a bit suspect, Graham is elated with his argument. A world championship, an honor eluding him for so long, now seems close enough for him to touch. Friends of Graham say there has been a profound change in him since he's assumed the title will soon be his.

"After we won the tag team match," Spiros Arion remembers, "there was one helluva celebration. We tore up Boston from one end to the other. There couldn't have been two happier, wilder guys on the face of this earth. 'Superstar' became 'Supercelebrant!'

"But it was a different Graham from the guy I knew. Billy has never been considerate to anyone; he's too great for that kind of nonsense. But that night, Billy was actually *sweet;* I mean *kind.* People would come up to him and ask for autographs *and he'd sign them!* I've seen him throw guys across rooms for disturbing him. He even thanked the clowns for wanting his autograph!

"I couldn't believe it. Graham was

All hell breaks loose (above) as Graham strangles Sammartino and the referee tries to bust up a pending confrontation between Spiros Arion and Dominic DeNucci. Bruno goes wild, pounding Graham in the heat of battle (below). As it turns out, Graham became one of Bruno's most formidable opponents. Due to this, Graham will wrestle Bruno for the WWWF title.

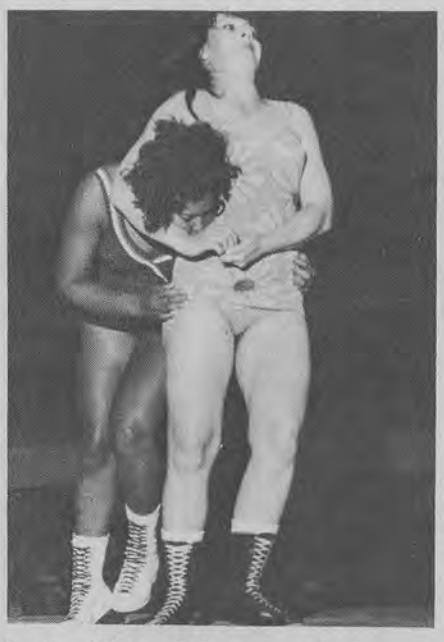
Donna combines skill and cruel tactics in matches with Sandy Parker (above and below) and hapless Debbie Johnson (right).



battle. When she's massacring an opponent Donna keeps her emotional distance. Here is a passion that is more cruel because it's so cold.

"I'm in this business to succeed," Donna says in a matter-of-fact voice. "Everyone who wrestles me is determined to make me fail. They are automatically my enemies. By the same token, whomever is on my tag team is automatically my friend. Her success is my success. Her failure is my failure. That's as far as it goes. Once I leave this arena I don't give a damn about anyone."

When one remembers that Donna is constantly brutal, showing no partiality for any special opponent, it becomes evident she is one of the most cruelly practical women in the world. She knows what she wants. She is willing to do whatever is necessary to get it.

When wrestling, Donna is a whirlwind of fists, elbows, knees, feet, and nails. She knows what will make her opponents scream in pain. And anyone who has seen Donna wrestle knows she won't hesitate to use all of her knowledge. Mercy is one thing she will never be accused of. She laughs at the word a short, ugly, humorless laugh.

"If you're interested in mercy," she snorts, "go to the Salvation Army. I'm interested in winning. I happen to be a wrestler so I'm interested in winning wrestling matches. You're either a winner or you're nothing. I'll never be nothing so I must always be a winner.

"Look," she says, as if going over territory in which there's no room for doubt, "the chances in this profession are greater because the rewards are greater. I live like a princess, not a housewife. I'm obligated to nobody. Wrestling makes me independant and winning makes me successful. I don't want more and I won't settle for less."

But must her opponents go through the agony and suffer the injuries she so often inflicts on them?

"They do what they have to do," she states, "and I do what I have

The smiling young lady (above) is the same young lady who is dragging agonized Sue Green around by the hair (below)!

to do. If they get hurt they get hurt. If they want to leave the same way they entered, let them join a bridge club. Or let them buy a ticket and see the match sitting down. I've never read anything that said wrestlers must be nice to each other." □

JEERS FOR CHEERS

At times, wrestling fans have to be the stupidest morons on earth! How else can you explain "The Night the Fans Cheered Mad Dog Vachon" (SPORTS REVIEW WRESTLING/ March 1976)?

To think fans would cheer that berserk maniac because they can't appreciate the genius of John Tolos! If it wasn't so disgusting it would be laughable. Don't the idiot fans of Texas have *any* brains?

John Tolos is one of the greatest wrestlers who has ever lived. His name will live long after those stupid fans are forgotten!

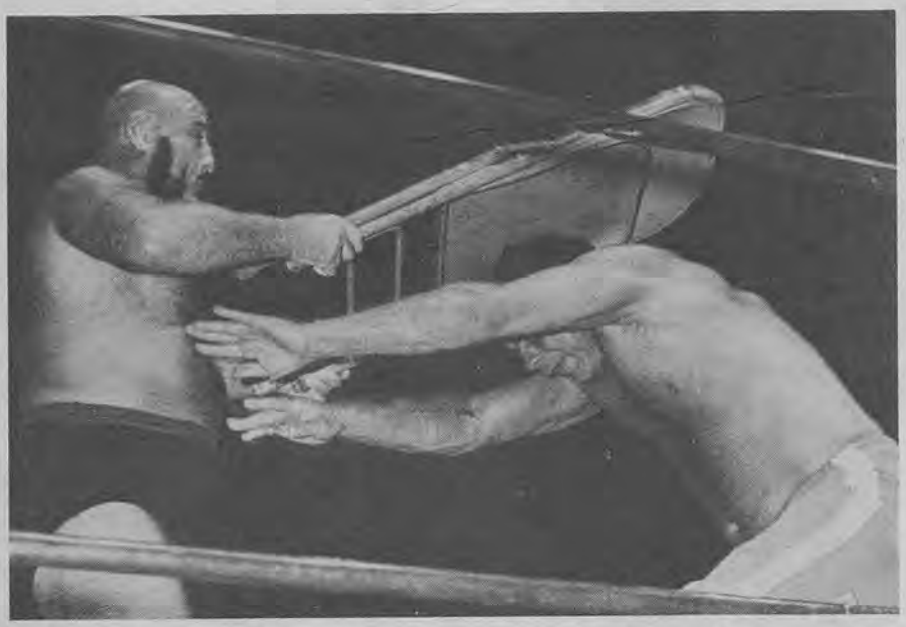
WHO'S KIDDING WHO?

Does Greg Valentine think every wrestling fan has the intelligence of a carrot? Only a vegetable could believe his claims in "Greg Valentine: 'They Made Up a New Rule to Defeat Me" (SPORTS REVIEW WRESTLING/ March 1976).

Greg Valentine (above) received a lot of angry responses to his claim that the California mat officials discriminated against him. Fans of Pampero Firpo (below) hope the wrestler does not decide to return to his earlier illegal, brutal ways.



Texas fans are being taken over the coals for their decision to cheer Mad Dog Vachon's assault on John Tolos (above). Fans from other pars of the country can't believe there is any reason to cheer a man with Mad Dog's reprehensible reputation for brutality.

The only thing defeating Valentine was Black Gordman's superiority! Greg should stop being a baby and start being a sportsman.

PLEA TO PAMPERO

I have watched Pampero Firpo's career for years. No one was more delighted than I to see him change his tactics. I am writing this letter in terror after reading "Will the AWA turn Firpo Back Into a Maniac?" (SPORTS REVIEW WRESTLING March 1976).

I hope Pampero reads this letter begging him not to change his ways. He has become my favorite wrestler in the last couple of years. I would hate to see him change.

Pampero, your fans will be heartbroken if you let anyone or anything change you. Please stay the same as you are!

TAG TEAM DETRACTOR

When you ask the question, "Tag Team Bouts—More Exciting Than Single Matches?" (SPORTS REVIEW WRESTLING/March 1976), I must answer, "No!"

Wrestling is a splendid sport because it pits one sole man against another. This is the most primitive and exciting of contests. Allowing this to be destroyed by making it a team sport ruins wrestling.

Tag team matches are occasionally fun, but they will never replace the glory of single matches.

Killer vs. Mad Dog:

(Continued from Page 12)

Kowalski is doubled over as Vachon ruthlessly tortures his foe's left arm. It's a typical ploy of Vachon's to work on a single limb of his opponent, crippling the grappler's efficiency. In this way, it becomes easy to eventually destroy his foe. It takes a veteran like Kowalski to understand this tactic and avoid it.

Hours before the opening bell even sounded, special police had been stationed throughout the arena, with the heaviest concentration nearest the dressing rooms. Many people believed the match would begin before the bell with one grappler attacking the other in the dressing areas. The precautionary measures paid off; Kowalski had tried to sneak attack his opponent before the match began, but the teams of special police were alert and were able to hold him off.

After the loud booing died down, the match started. Mad Dog began the action by rushing toward his opponent and knocking him head first to the canvas. Kowalski didn't let the attack bother him; he bounced right back up and punched Vachon in the stomach, causing

The victim of Vachon's savage choking, Kowalski stumbles around the ring, gasping for air. Moments later, he would fall to the canvas and need oxygen to be administered to him. Though he was the winner by disqualification, Kowalski was far from being happy!

Mad Dog to double over in pain.

Vachon decided to finish his opponent off quickly. Of course, Killer Kowalski had the same idea.

The masked Kowalski rushed toward his opponent, but Mad Dog was ready for him. Drawing one knee up to his chest, Vachon repelled the attack, sending Kowalski sprawling to the mat. Then Mad Dog grabbed the momentarily prone masked wrestler, picked him up, and hurled him against the ropes.

Kowalski did not know how to react. Mad Dog sensed his foe's momentary indecision and seized his opportunity. He ran toward his kneeling opponent, jumped up, and landed one of his infamous guillotine kicks on Kowalski. The masked wrestler was forced against the ropes with his throat feeling most of the power from the kick.

Not satisfied at merely injuring his opponent, Mad Dog repeated his tactic. Again Kowalski's throat was pressed against the ropes.

Slowly, Killer Kowalski stumbled to his feet, still feeling the effects of the vicious attack. He could barely breathe. Vachon moved in for the kill.

Sneaking up behind his opponent, Mad Dog grabbed the masked wrestler by the neck. Kowalski started swinging wildly in retaliation, but in his weakened condition it was easy for Vachon to grab his arm and flip the masked wrestler to the canvas again. Once Kowalski was on the canvas, Mad Dog leaped on him and grabbed Killer's neck in an obvious chokehold. As Kowalski squirmed on the mat gasping for breath, the referee disqualified Vachon. If the hapless official hadn't done this, Mad Dog would have killed Kowalski.

Immediately, oxygen was rushed up to the ring and administered to Kowalski. Several minutes later he was helped through the ropes and back to his dressing room. And Mad Dog followed behind him, laughing all the way. □

BRUTE BERNARD

(Continued from Page 18)

nard is not underrated. Wrestling fans have long appreciated Bernard's skill while hating his dirty tactics. Other wrestlers are also hesitant about going into a match with a man who'd do anything to anyone.

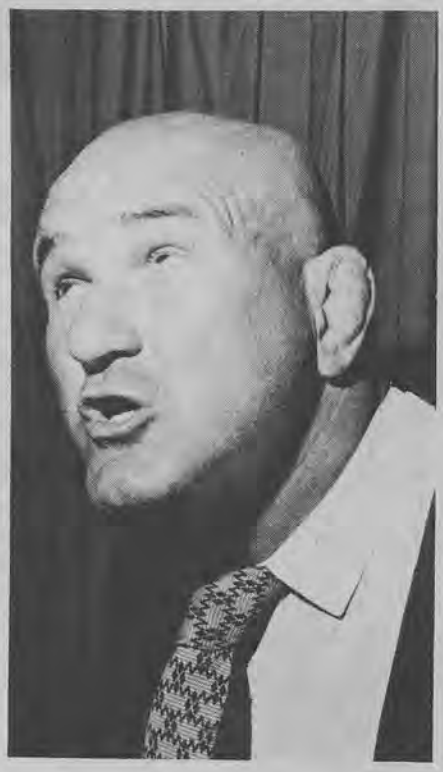
"There are dirty wrestlers," Terry Funk explains, "who you can't wait to get into the ring against because you hate them and they hate you. It's a personal thing you've got to settle. But it's not like that with Bernard. He hates everybody! He wants to break any head, regardless of who it belongs to. You don't hate a guy like that, just wonder about him."

"Besides the promoters being afraid that I'd dominate, the other wrestlers are afraid of me," Bernard contends. "They know they don't have the ability or guts to beat me. My strength is greater, my speed is greater, my coordination is greater, and I have more cunning than 10-so-called great wrestlers put together. They know getting in the ring with me would mean humiliation. And when I'd humiliate them all, they'd have to admit I'm the greatest wrestler in history. And they're not about to do that!

"If that wasn't enough against me," Bernard continues, getting angrier and angrier, "the fans hate me. They expect me to sign autographs, smile at them, and pretend I like them. Why should I like them? They come to see me. I wouldn't cross the street to see those creeps. It's their fault I'm so underrated.

"When I'd walk into a ring the fans would boo loudly and use foul language and there'd be some moron who'd try to attack me. The promoters didn't want that—or me. So they bury me instead of making me number one! The fans make the promoters afraid of me. I'd like to get my hands on a group of those rats for two minutes. They'd have a real reason to hate me then!"

Many fans feel they have a real reason to hate Bernard right now. He is frequently called an animal, the dirtiest wrestler ever seen, and a man whose opponents should be given a gun. But they love to see him wrestle.



Above: The man the fans love to hate, Brute Bernard. Right: The photographer tells Brute to smile for his fans, so Bernard sticks out his tongue in a crude gesture of defiance.

"I'd go anywhere," one fan says, "on the possibility of seeing Bernard get his. Over the years I've seen Bernard brutally punish wrestlers who had the decency to wrestle scientifically. He has no principles. It reaffirms my faith in justice every time Bernard gets smashed in the head."

In fact, it's hard to believe there is a conspiracy against Bernard when the facts show that filled arenas resound with boos every time Brute enters the ring. He has wrestled against almost every top wrestler in the business. Though he claims that promoters hate him, he wrestles wherever he wants whenever he wants. His only legitimate gripe is that he's not ranked near the top challengers.

"It's because he hates everyone," Terry Funk says, "and spreads himself so thin. He'll wrestle anyone without a real awareness of who are the guys to beat to get a rating. He'll beat a top-ranked guy and then wrestle somebody nobody heard of because he thinks he can

really hurt that poor guy. And you can bet he does hurt that guy! But he also doesn't help his career.

"You've got to choose your opponents carefully if you want a title shot or high ranking. One of my problems is that I wrestle guys I hate rather than those who could help my career. But I'm single-mindedly ambitious compared to Bernard."

When informed of Funk's theory, Bernard shouted, "That's not true! The top men won't wrestle me. They're afraid. Funk is just making excuses for the big boys. I admire Funk because he has the guts to wrestle me. But he's always too easy on the bums that make it hard for me."

Brute Bernard will continue to brutally punish anyone brave or foolhardy, enough to get in the ring with him. And he'll continue to believe that he's the most underrated wrestler in the world. And with a man like Brute, it's hard to tell him he's wrong. □

CHASE

(Continued from Page 20)

Lil prepares to body slam Dagmar (left) in a Montreal battle. In California, they force the referee into action (above). Lil stomps Dagmar (below) hoping to end the blonde's career.

fuses to allow the sport she loves be headed by an athlete like Diamond Lil.

"When I wrestle," Dagmar declares, "all the pain and cruelty I have suffered in my life because of my size vanishes. What I do in my profession I do as well as anyone can. But when someone like Diamond Lil claims the championship, it hurts us all. It takes the dignity away from our accomplishments. That's why I can't sit back and let Diamond Lil shoot off her big mouth. My integrity depends on shutting her up!"

When the two women are matched, they wrestle like both their lives depend on it! They're like two enraged wildcats tearing at each other's throat. There is nothing Diamond Lil won't do to Dagmar.

"She's become a real pain," Lil says. "I can't turn around without that glory seeker trying to make me look bad. I may have to end her career just to get her out of my hair!"

But that is easier said than done. Darling Dagmar is doing her best to make Lil's claim to the title seem empty. She is more than willing to put her career on the line if it means helping the sport that has so helped her.

It has gotten to the point in their tempestuous feud where it's hard even to get referees for the matches. The two women get so violent any referee who tries to do his job runs the risk of finding himself in the middle of their brutal brawl.

So far neither woman has proven her point. Some nights Lil holds the advantage, other nights Dagmar sends her furiously to defeat. Neither girl sees an end to the feud.

"Neither one of us can stop pursuing the other and hold her head high again," Dagmar says with quiet determination. "Lil has to keep accepting my challenges or admit she's not the true champion. If I stop, it's as good as saying Lil

Both girls wrestle feverishly (above and below) during two separate battles. "Dagmar is not going to win my title," Lil stresses. "No one will."

is the champion."

But what about the continual physical beating Dagmar must suffor as the brunt of Lil's dirty tactics?

"I know what to expect," Dagmar says, "and I prepare myself mentally. If you take the pain as a matter of course, it's not so bad. As long as I believe there is nothing Lil can do to make me give up, I'm alright. If I quit because of the pain, everything I believe in becomes false. I'd rather be dead than give up. If I do give up, I might as well be dead." □

Afraid of Baldness? You don't HAVE to lose your hair.

Everybody is always losing hair. You can see them on your comb and brush everyday. But new hairs are growing in at the same time. If you don't grow new hair as fast as they fall out, YOU ARE GETTING BALD.

Why not give your hair the best chance it can get by eliminating needless causes of falling hair and give nature a better chance to grow a healthy head of hair for you.

Many dermatologists, hair and scalp experts believe that seborrhea, a common scalp disorder, results in hair loss. Seborrhea is an infection of the scalp, caused by a bacteria that can produce severe and permanent damage to hair growing follicles in your scalp. Seborrheas symptoms are dry itchy scalp, dandruff, oily hair, head scales and progressive thinning and hair loss. UNCONDITIONALLY GUARANTEED

To you we offer this Unconditional Guarantee. Treat your scalp to Comate in your own home following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair thicker and more radiantly alive. How Comate gives your hair a chance to grow. Most men and somen report results after the first treatment, some take longer. But we give you this assurance. If for any reason you're not completely satisified with the improvement in your own case — AT ANY TIME RETURN THE UNUSED PORTION FOR A PROMPT REFUND, NO QUESTIONS ASKED.

But don't delay. There is no excuse today for any man or woman to neglect seborrhea and pay the penalty of hair loss. Nothing not even Comate can grow hair from dead follicles. So, why not fill out the coupon now, and take the first step toward a good head of hair.

Male pattern baldness is the cause of the great majority of causes of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.

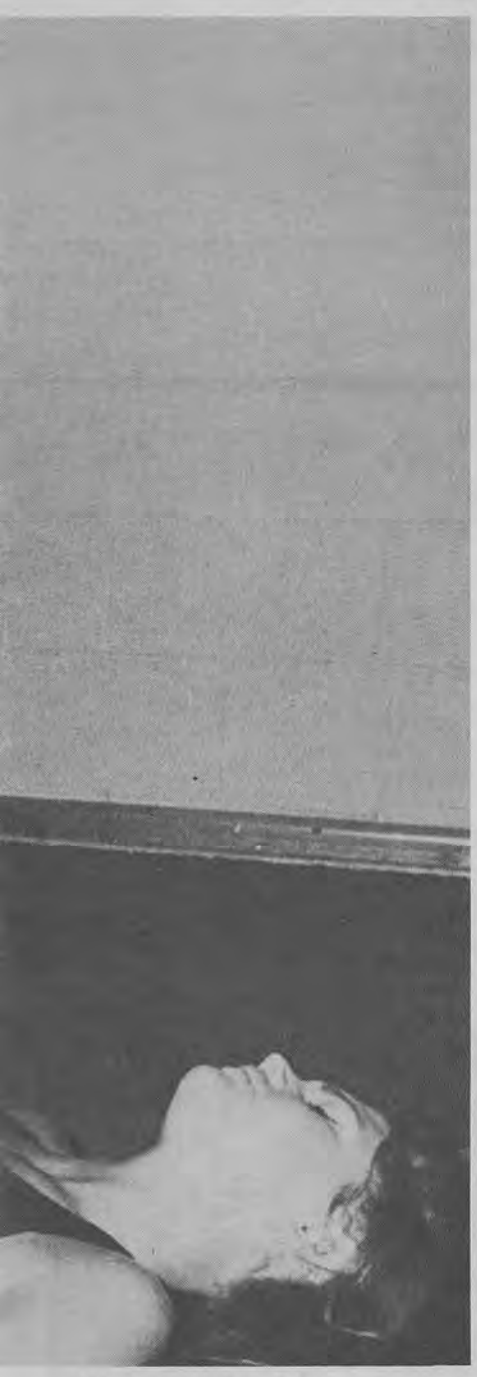
BATTLING GIRLS

(Continued from Page 41)

Dave Moll walked to the center of the room and turned to his guests. "Gentlemen," he began, "you have traveled to this city to witness a very important match in the history of apartment house wrestling. Tonight these two beautiful women, the very first to engage in our exclusive sport, will once again grapple. As you can see, these women embody the meaning and spirit of apartment house wrestling, though they have been absent from the sport for too long a time. We are very happy to welcome them back to our inner circle. Without further ado, let us begin."

As soon as Moll returned to his seat, the match started. Gloria initiated the action, moving cautiously toward Valerie, a bit unsure of what to do next. Sensing the brunette's hesitation, Valerie lunged toward Gloria, knocking her to the floor.

Seeing her opponent momentarily stunned, Valerie grabbed Gloria's arm and began to twist it. The brunette screamed in agony, but Valerie kept up the attack. But Gloria is not a girl to stay down for long—with a sudden burst of energy, she leaped up and freed herself from the tight hold.



Gloria is momentarily stunned from a perfectly executed flip by Valerie. Yet, the blonde is too groggy from previously administered punishment to take advantage of her good fortune.

The two girls immediately became locked in a double body hold, with neither grappler allowing the other any freedom of movement. For a full minute, the two girls stood perfectly still, equal force against equal force. Their two voluptuous bodies locked together as if only one.

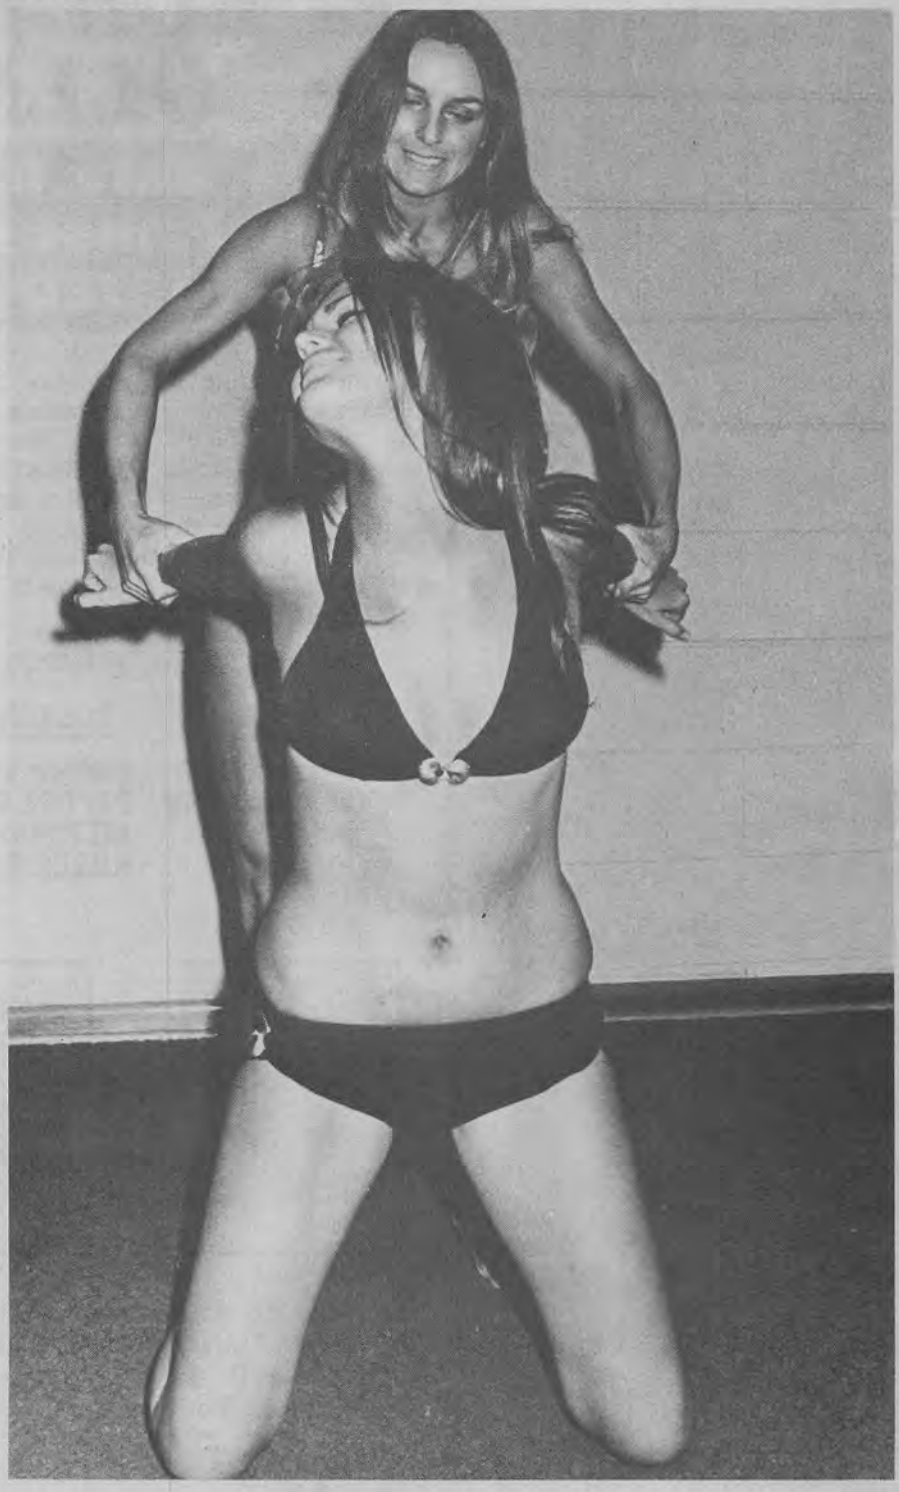
BATTLING GIRLS

(Continued from Page 57)



Valerie's face is a mask of cruelty as she tortures Gloria in a crucifix hold. Gloria's beauty becomes terribly exciting as her agonized contortions reveal how brutally the punishment hurts.

Then Gloria broke free and began her savage attack. Baring her long nails, she grabbed at the soft flesh of Valerie's supple breasts and began to squeeze tightly. The blonde started to protest loudly, but the louder Valerie screamed, the more intense Gloria made the agony.

Valerie took some quick action. She lifted one of her long lithe legs, then delivered a swift kick to Gloria's groin. Gloria reeled backward from the torturous blow. Valerie aided the downward fall by roughly shoving Gloria's head with he opened palms.

BATTLING GIRLS

(Continued from Page 58)

Above: Gloria grabs her attacker's hands as she tries to avoid being pinned late in the match. Right: The battle's fury is increased as these warring beauties claw and tear upon the carpet. Note how Valerie's nails dig into Gloria's neck, causing red welts to appear on the alabaster neck.

Within a second's time, Valerie lunged toward the fallen Gloria, pounding the brunette's prone body with wildcat-like punches. The alabaster flesh reddened from the brutal attack. Suddenly all the muscles in the brunette's body tensed. Valerie's punches bounced off a firm hard figure. Slowly, the fists still pounding, Gloria took hold of herself and arose from the carpeting, her full statuesque body cutting an impressive figure.

Valerie withdrew from her vain assault and waited for Gloria to make the next move. She did not have to wait long.

With jungle fury, Gloria showed once again why she had been the first victorious apartment house wrestler. She grabbed Valerie's

Above: The powerful thighs of Valerie lock around her foe's neck, forcing Gloria's body to thrash from the pain. Below: Grabbing Valerie from behind, Gloria tries to force her foe to crash upon the plush carpet.

long blonde hair with one hand and began to pull it. With her free arm she started choking her opponent. Valerie tried to wriggle out of the hold, but Gloria just increased the pressure. The blonde writhed in agony, but to no avail. She felt herself slipping into semi-consciousness. She had to make one last quick maneuver to save the match.

Using all her remaining strength, Valerie grabbed Gloria by the waist, flipped her over her back, and sent the brunette flying to the carpet. Gloria was stunned by this unexpected action. Momentarily dazed, she just lay on the floor, unable to figure out what she should do next.

Though this was a perfect opportunity for Valerie, she was unable to move either; Gloria's choking had effectively weakened the beautiful blonde. Her knees buckled and she fell to the floor, a panting, semi-conscious heap of heaving flesh, barely able to move a single muscle.

After a moment's rest, Gloria rose to her feet and stalked over to Valerie. But she found there was no action needed. She had once again vanquished the beautiful blonde. The match was over. □

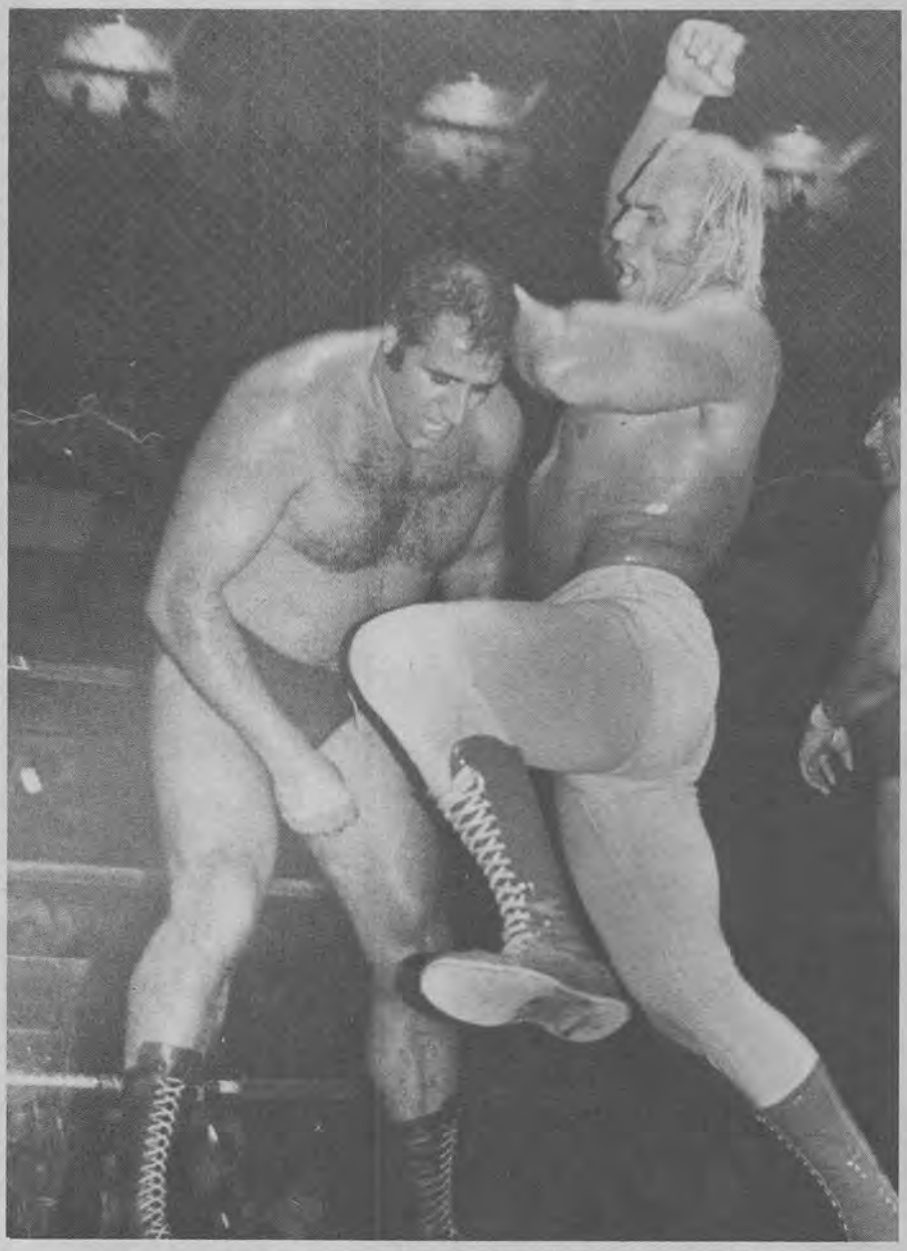
BILLY GRAHAM'S BOAST

(Continued from Page 45)



A devastating elbow smash takes its toll on Dominic DeNucci as he steps in to give Sammartino a breather. Neither DeNucci nor the thousands of fans watching the tag team battle could stand the cruel treatment Superstar handed out to his opposition.

behaving like a king being kind to his subjects. When Billy wins the title, and our tag team match proves he soon will, Graham will be a different person, or I'm very mistaken. He won't be conceited; he'll be convinced!"

Others have noticed the same change in Graham. He's already begun to believe he's champion. Interestingly enough, the anticipated victory has made him a mellow person for the first time in his life. It seems once he has attained his goal, he's willing to start caring about other people.

Even an interview with Graham is a different experience. Billy usually makes it very hard to set up an appointment and then only answers the questions he wants to. After he pinned Sammartino, Billy couldn't have been more cooperative to reporters.

"When I'm champion," Graham now begins interviews, "people who never heard of wrestling will fill the arenas. I'll be the most

Another elbow smash has DeNucci on the verge of blacking out. This tactic, perfected by the Superstar, is "one of wrestling's deadliest moves," as Billy put it.

famous sports figure in the world. I'll be the most famous person in the world. That's a great responsibility, one which I hope I can live up to."

To hear Graham modestly hope rather than confidently declare is shock enough; what follows is even more surprising.

"The WWWF belt is more than an honor," Billy believes, "but a sacred trust between the wrestler and his fans. My accomplishment makes me the man to whom the fans look for success; I can't fail them."

Billy Graham actually talking about his responsibility to the fans would have been unthinkable two months ago. Even reminding Graham he hasn't won the belt yet doesn't make him angry.

"There's plenty of time," Billy declares, "and I'll be ready when the time comes. I pinned Sammartino once. I can do it any time I want. Right now, I'm the people's champion. When I get a chance to wrestle Sammartino, I'll be the official champion. It's simply a matter of time."

Billy Graham has never been this calm and considerate. If he does take the title, fans may be surprised at the changes Graham will undergo. No one can begin to guess what kind of champion he will be.

People are almost afraid to speculate what Graham will be like if he doesn't win the WWWF championship belt. There are very few who look forward to finding out! □

AT LAST! A FOOL-PROOF SYSTEM FOR PICKING UP GIRLS!

THIS AMAZING NEW RECORD ALBUM WILL SOON HAVE YOU PICKING UP GIRLS AUTOMATICALLY!!

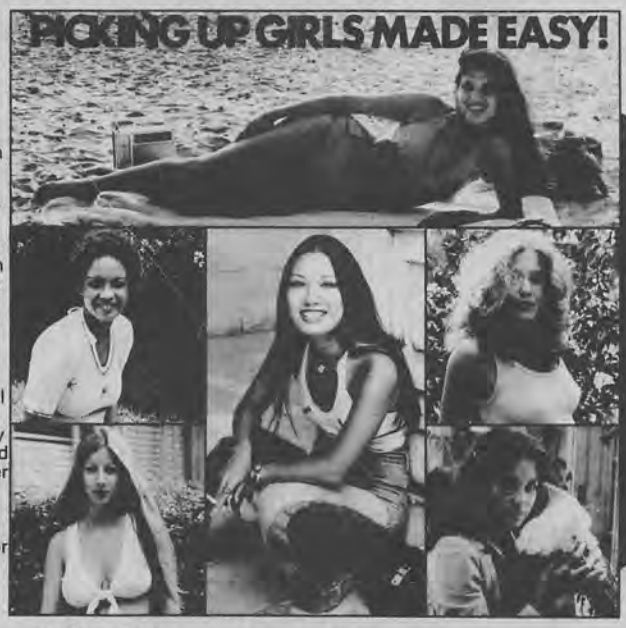
Imagine if you could walk up to any beautiful girl who caught your eye—repeat a few simple words to her you heard on a record album—and within seconds have her eating out of the palm of your hand.

Well, now you can! Because now there's a fantastic new record album (or cassette) called PICKING UP GIRLS MADE EASY. PICKING UP GIRLS MADE EASY will teach you a whole new system for picking up girls—a system that is so *complete* . . . and so absolutely *foolproof* . . . you'll soon be picking up girls *automatically*!!!

THE PICK UP SYSTEM NO GIRLS CAN RESIST!

This 40 minute album has eight actual recorded pick-up scenes to learn from. You'll hear *exactly* how to pick up a busty college girl in a library, a tall pretty blond on the street, a dark-haired sexy swinger in a single's bar. Each pick-up is introduced by Eric Weber, the famous author of HOW TO PICK UP GIRLS! Eric explains exactly how and what to say for each different kind of pick up.

You'll listen in as a guy just like yourself successfully picks up a gorgeous girl in a string bikini. You'll actually hear the voices of the people involved: the guy, as he begins to work his magic . . . and the girl, as she falls willing victim to his charm. Absolutely *everything* is spelled out for you, from attention-getting opening lines . . . through seductive, irresistable talk that gets a girl to really open up to you . . . to foolproof closing lines that get you her telephone number, a date, and sometimes even her body right then and there. Unbelievable? You won't think so when you suddenly find yourself gliding down the street with a beautiful golden stranger on your arm.



PICKING UP GIRLS CAN BE AS EASY AS OPENING A BEER!

This amazing new pick up system is so easy to master, you can learn it without even trying. *Automatically* you will be transformed into an expert picker upper and seducer. And the more you listen to the album, the better you'll get. It's INCREDIBLE! Here are just a few techniques you will soon be an expert at: How to pick up an art-student in a museum • How to pick up girls in department stores • How to be witty (girls are easy to pick up once you've got them laughing) • How to get a pretty stranger at the beach to put suntan oil on you • How to get a girl out of a singles bar and into your apartment in less than an hour • How to tell when a girl wants to make it just by the sound of her voice.

The day your album arrives will be a fantastic experience. Sit down, pour yourself a glass of wine, and put PICKING UP GIRLS MADE EASY on your record player. Your life won't be the same again! What you'll hear is so exciting and fool-proof that the next time you spot a chick you'll pick her up without even thinking. After just one hearing you'll have the style and confidence of a master. So send for PICKING UP GIRLS MADE EASY today and watch out!
